Administration Report - 2015

Provincial Planning Secretariat, Eastern Provincial Council

1. Introduction

The Provincial Planning Secretariat was formed under the direct purview of the Chief Secretary along with the other functions such as Finance and Public Administration.

The Provincial Planning Secretariat was established with the functions defined under 13th Amendment to the Constitution and other relevant guidelines issued by the Government subsequently. This Secretariat is directly responsible for overall guidance, planning, co-ordination monitoring and evaluation of development programme in the Province, including maintenance of information system.

2. Organization

2.1. Vision

Positive future with connected regional economy and smart community in Eastern Province with strong integration of sustainable development.

2.2. Mission

Planning and facilitating agencies for balanced socio-economic development for the prosperity of the province through effective planning system, resources management, enhanced knowledge and innovations in alignment with national policies and plans.

2.3. Thrust Area & Goals

01. Provincial planning process and systems

1.1 : Formulated integrated long term development plans for the province with comprehensive sector programmes.

1.2 : Ensured optimum utilization of mobilized resources to meet development demands efficiently.

02. Coordination & monitoring of programmes and projects.

2.1 : Effective Integrated development framework in place with active participation of stakeholders

2.2 : Result oriented programmes and projects implemented efficiently and effectively.

03. Information management, innovation and dissemination

3.1 : Operationalized ICT lead reliable and user friendly information system for policy, planning and management.

3.2 : Adopted best practices and initiatives in development and management process.

04. Institutional capacity development

4.1 : Capacitated and skilled staff performed in pleasure environment

4.2 : Practiced efficient innovative internal system for better performance

4.3 : Disseminated effective system at provincial agencies

05. Good Governance

5.1 : Balanced regional development process

5.2 : Improved information dissemination for public

5.3 : Ensured equity and equality

2.4. Key Functions

- Formulating strategies to restructure the Provincial economy, accelerate growth, maximize Provincial Resources utilization.
- Developing and installing processes and systems for Provincial Planning.
- Improving planning skills and capabilities at all levels of administration.
- Developing and installing an innovative information and communication system for Planning and Administration including ICT applications.
- Formulating, coordinating, monitoring and evaluating development plans and programmes.

2.5. Organization Structure

Functions of the Provincial Planning Secretariat are performed by the following divisions headed by suitable officers available;

- i. Provincial Planning
- ii. Resource Management& DCB Programme
- iii. Information &Computer Technology
- iv. Administration

*Structure and Function is given in the **Annexure -I***

3. Highlights of Major Activities and Initiatives

3.1. Balancing Development Investment

The prime concept for regional development is the balancing policy in development investment in all 03 regions. Provincial Planning Secretariat (PPS) plays a major role with systematic way to ensure balanced development in all areas especially in underserved & marginalized villages. As general practice, concurrence for Annual Implementation Programme (AIP) is given by Finance Commission while the council approves the provincial budget. However, PPS is working for balance in development investment in AIP adopting important dimensions as sub regional, community and programme. For this accepted policy, district balance is maintained first in development budget, considering three major criteria such as Population (*Demography*), Land Area (*Geography*) and Poverty (*Economy*) with weightage of 50:30:20 respectively. Accordingly, the district development investment was directed as Trincomalee : 25%, Batticaloa : 37 % and Ampara : 38 %. However, consideration of special requirements and urgent needs with sensitive factors resulted insight variation. Accordingly the PSDG allocation in 2015 was;

Trincomalee District	- 362.0mn. (30 %)
Batticaloa District	- 415.0mn. (35%)
Ampara District	- 411.0mn. (35 %)

3.2. Consolidated Annual Development Programme

In addition to routine Annual Implementation Programmes, several development activities are implemented in Eastern Province under various source of funds. To implement and coordinate sectoral programmes under one umbrella, an approach of “consolidated implementation programme” is developed.

This appropriate approach introduced in line with provincial planning process, adopting Agency Result Framework which practiced in all provinces. CAIP web based data base system was also developed through series of discussions and established with access to all agencies and higher authorities in EPC.

However, this data base system is not at satisfactory level due to lack of available data and updates of information on special projects (other than PSDG and CBG). The successfulness of this system and consolidated approach is dependent on information from departments and streamlining of special project coordination in EPC.

3.3. Special Projects

Project concept paper was developed and sent to External Resource Department for seeking financial assistance from suitable donor agency to improve provincial roads including necessary structure under 'Eastern Province Road & Structure Rehabilitation Project' in all three district. Total cost of this project is around Rs.11,400mn and implementation duration is 40 months.

In addition, in view for seeking financial assistance from suitable donor agencies to improve rural roads & rural water supply systems in all three districts, a concept paper was developed and forwarded to Department of National Planning with total estimate for Rs.5,320mn.

3.4. Common Infrastructure development

Construction of three storied bachelor quarters was initiated and commenced at total cost estimate Rs.18.0 mn to provide accommodation facility for the executive officers. This project was commenced in September 2015 and will end in July 2016.

3.5. Other Major Activities

The Provincial Planning Secretariat has accomplished the following major activities during 2015.

- (i) The AIP for 2015 has been prepared (in Form III & Form IV) in line with the Form I & Form II of the Medium Term Agency Results Framework 2013-2017 of EPC, which was formulated in 2012 using baseline year 2011 and guided by the Finance Commission.
- (ii) The operation and coordination practices of Annual Implementation Programme is conceptually moved to Consolidated Annual Implementation Programme (CAIP) from 2013 and it is fully operated through web-based database with lively updates.
- (iii) Strengthened monitoring mechanism on capital budget and development activities by conducting regular meetings and sectoral discussions, through improved structure of the regular Provincial Planning Committee Meetings and Special Review Meetings and regular field visits for monitoring.
- (iv) Encouraged the Ministries and the Departments to conduct random monitoring field visits on Annual Implementation Programme in Trincomalee, Batticaloa & Ampara Districts and submitted the report with findings and recommendation for improvement.

- (v) Conducted and attended regular meetings with Heads of Planning Units in Ministries and Departments for better performance and clarified implementation and other practical issues and taken corrective measures for further improvement.
- (vi) Maintained web-based database for Provincial Council Members' Funds Programme and improved internal network system with file sharing & practiced well.
- (vii) Improved ICT application including improvement in EPC official website and supported other offices in ICT solutions.

4. Initiatives and Follow ups

4.1. CAIP Operation through Web-based Database

A Web-based Database System for Consolidated Annual Implementation Programme of EPC was developed by the Provincial Planning Secretariat and came in to full operation in April 2014. The updated programme, monitoring, reporting and financing & accounting processes are comprehensively operated through this database. This user friendly system is operated by Ministries & Departments and coordinated & facilitated by Provincial Planning Secretariat. The system includes provincial funds programme as well as special projects implemented by provincial agencies including line ministry programme. Features available in this database facilitate to produce various type of reports and provide access to senior managers to view the information.

As an improvement, CAIP database facilitates to upload images with photos of project sites in showing current status of physical progress of each sub project and simplify to update the cost of sub-project separately as contract amount, taxes and other expenditures.

This comprehensive electronic document is used as an operational plan or implementation programme in line with Agency Result framework, which owned and operated by respective agencies with lively updates. And also it would be an efficient tool for management, planning, programme monitoring, financial analysis and decisions making at different levels.

4.2. Monitoring Field Visits

Provincial Planning Secretariat made regular field visits to project sites, where projects included in the Annual Implementation Programme in all three Districts to assess the real physical status and implementation issues as well as to learn ground situation. These visits were arranged by Provincial Planning Secretariat and officers from sector agencies also joined them.

Heads of Departments were requested to take remedial actions with regard to findings in the Field Visit Reports. Meetings with Ministry cluster separately were conducted chaired by Chief Secretary with the participation of Secretary, HOD and relevant staff on report submitted by PPS.

4.3. Digitalized Divisional Resource Profiles

Initiatives were taken to improve the Divisional Resource Profiles with the assistance of outsourced consultant in 2011, by redesigning the contents of the document based on the requirements and with inputs from Divisional & District level Planners. In this process, Software for the Digitalized Divisional Resource Profiles and networking with the feature of on-line updating was developed and installed at all Divisional Secretariats, District Secretariats and Provincial Planning Secretariat.

Presently, all Divisional Secretariats are in process of data feeding works for 2015 resource profile information. After completion of data entry work by Divisional Secretariats, the District Profiles and Provincial Profile for the year 2015 will be compiled.

4.4. Local Exposure Visits

Provincial Planning Secretariat has initiated local exposure visits to other Provincial Councils with participation of officers in the Chief Secretary's cluster with an objective to learn best practices and innovative ideas and to adopt those in EPC administration. 04 groups of staff (around 10 members in each group headed by an executive officer) successfully completed the exposure visits to the provincial councils of North Western, North Central, Northern and Central provinces. These groups learnt and suggested many findings for best practices & innovative ideas from the visits to adopt those in Eastern Provincial Council.

5. Resources

5.1. Cadre: Staff position as at 31.12.2015:

Post	Required Cadre	Approved Cadre	Existing Cadre
All Island Service			
Deputy Chief Secretary (SLPS - I)	01	01	01
Director Planning (SLPS - I)	02	01	01
Deputy Director (SLPS - II)	02	01	-
Asst. Director (SLPS - III)	04	02	02
Combined Service			
System Administrator	01	--	--
Statistical Officer	01	01	--

Post	Required Cadre	Approved Cadre	Existing Cadre
Development Officer	10	15	14
Translator	01	--	--
Management Assistant - Supra	01	--	--
Management Assistant -I / II / III	10	10	08
ICT Assistant	02	01	01
Other Service			
Drivers II/III	03	03	03
OES I/II/III	04	03	03
Total	39	38	32

5.2. Appointments, Transfers, Attachment and Retirements

5.2.1 Transfers

The staff details transferred from/to Provincial Planning Secretariat

Staff Released from Provincial Planning Secretariat, EPC & Replacement During Annual Transfer 2015						
Released			Replacement Staff			Remarks
Name	Date	Station	Name	Date	Station	
Mrs.Fathima Rinos, DO	2015.10.16	Dept. of Zonal Education, Muthur	-	-	-	No Replacement
Mr.M.T.Nasoordeen Driver	2015.10.06	Dept. of RDHS, Trincomalee	Mr.A.Thevarajah	2015.10.01	Provincial Treasury - NP	
Mr.K.Amalathas OES	2015.12.31	Dept. of RDHS, Trincomalee	-	-	-	No Replacement

5.3. Vehicles

Two vehicles (cars) were assigned to Deputy Chief Secretary - Planning & Director - Planning, and other car and pickup were used as pool vehicles by all staff (Including field visits).

Two Motor Cycles were used for messenger work by OES & Drivers.

6. Internal Administration

6.1 Unit Meeting

The Unit Meeting is conducted every Monday by the Head of the Divisions. The staff in the particular division discussed the issues and sorted out. All these matters are further discussed and decisions taken at the Senior Staff Meeting.

Staff Meeting (General)

The Staff Meeting (General) is conducted on first and third Tuesdays of every month by the Deputy Chief Secretary. At these meetings, all the staff gathered to discuss broad issues and to review the divisional functions and work performances. The gradual improvement in the internal communications and the team effort are the important outcome from this meeting.

Senior Staff Meeting

The Senior Staff meeting is conducted on second and fourth Tuesdays of every month by the Deputy Chief Secretary. All the heads of the divisions in the PPS will attend and discuss the special tasks and strategic issues and ensure the divisional function.

6.2 Local Network and File Sharing

The established Local Area Network and File Sharing facilities are being used successfully and effectively by all staff. Each officer has been provided with a unique 'User folder' which is shared among all staff. This arrangement has enabled considerable savings on resources, provided effective and efficient function with transparency of this office.

Structure of the Local Network and file sharing of PPS is given in the Annexure -II

6.3 Task Sheet and Performance Appraisal

In order to assess and appraise the performance of officers, contents of Daily Task Sheet has been improved and put in use for all staff. The tasks carried out by the officers have to be fed daily basis in the Task sheet. The Deputy Chief Secretary and Division Heads go through the Task Sheets on regular basis and supervise the performance and make comments on it for the improvement.

A sample task sheet of a staff is given in the Annexure -III

The 12 months task sheets of the staff are taken into consideration for Final Performance Appraisal.

7.3 Training Programmes conducted by PPS

The Provincial Planning Secretariat conducted the following training programmes and workshop for PPS staff and EPC staff.

S.No	Name of Workshop & Training	Date	Venue& Target Group	No. of Participants
1	Workshop on Provincial Planning Process & Practices	11 th June 2015 (01 day)	MDTU, Uppuvely Planning Staff-PPS, Min.& Dept.	70
2	Workshop on Team Building & Capacity Development	22 nd July 2015 (01day)	Conference Hall, PPS. Staff-PPS, Min& Dept.	34
4	Workshop on Effective Provincial Planning Process	11thSeptember 2015 (01day)	MDTU, Uppuvely Planning Staff-PPS, Min. & Dept	65
5	Workshop on Team Building & Effective Relationship	30th Dec 2015 (01 day)	Conference Hall, PPS. Staff-PPS, Min & Dept	34

8. Other Functions

8.1. Official Website for the Eastern Provincial Council (www.ep.gov.lk)

The official website of Eastern Provincial Council is administrated by the Provincial Planning Secretariat in professional standard. The website design was upgraded continually with separate pages for each and every Ministry and Department in the Eastern Provincial Council.

8.2. Annual Implementation Programme-2015

Annual Implementation Programme 2015 for the Eastern Province was prepared in line with Agency Result Framework of EPC and implemented with the concurrence of Finance Commission. The CBG programme with 247 activities at the cost of Rs.252.0 mn and PSDG programme with 695 activities at the cost of Rs.1,190.0mn were implemented by the provincial agencies and coordinated & monitored by PPS.

During 2015, total received imprest was Rs.236.3 mn under CBG and Rs.221.54 mn reported as expenditure. Under PSDG, Rs.1,078.0mn was totally received as imprest and expenditure reported was Rs.999.27 mn.

8.3. Hon. Members' Development Programme

Under CBG, Rs. 4.0mn was allocated to each Member of the Eastern Provincial Council for the implementation of development activities proposed by them. The approval was granted based on the circulars and guideline issued by the Finance Commission. The programme implemented by the Provincial Department through their sub offices, Divisional Secretariats, Local Authorities and Statutory Boards. Totally, 1098 activities at the cost of Rs. 144.69 mn were implemented in the year 2015.

Approved programme, monitoring and reporting operated through web-based database and report generated from this. The access to this database provided to Hon.Members to view their programme and status.

9. Finance

9.1. Capital Allocation and Expenditure - 2015

Code	Object Title	Allocation	Imprest Received	Expenditure Reported
20	Rehabilitation & Improvement	148,000,000.00	156,185,000.00	146,048,889.93
21	Acquisition of Capital Assets	12,000,000.00		8,456,531.89
	Total	160,000,000.00	156,185,000.00	154,505,421.82

9.2. Recurrent Allocation and Expenditure - 2015

Rs. 20,250,000.00 was allocated to the PPS in 2015 and incurred expenditure was Rs. 19,403,546.20

9.3. Appropriation Accounts - 2015

Annual Appropriation Accounts in respect of the year 2015 was submitted to the Auditor General through the Provincial Treasury, EPC.

9.4. Audit Queries - 2015

No adverse observations were received from Auditor General Department.

9.5. Board of Survey - 2015

Board of Survey for the year 2015 was completed and Report was submitted in time to the Auditor General.

10. PPS Welfare Society Activities

Welfare Society formed in January 2009 for the wellbeing of the staff of the PPS is functioning with various activities. Funds for the Welfare Society is mobilized through monthly subscription from members and utilized for activities for benefits of the members as per the constitution of the welfare society.

For the motivation of the staff and relaxation, one day trip was organized at 'Kinniya Gangai River' in July 2015 with the participation of members and their family. Furthermore, the Welfare Society has periodically arranged Badminton Tournament to the PPS staff for relaxation and enjoyment in 2015. Team building activities with indoor games were organized frequently to increase team work, coordination and skills among the staff.

11. Conclusion

The Provincial Planning Secretariat was able to perform the tasks adopting new methodologies and improved versions as well as initiatives satisfactorily during 2015 with its limited resources of human power.

The guidance from the Hon. Governor, Hon. Chief Minister, Chief Secretary and the Finance Commission, as well as the cooperation from the provincial ministries and departments and the high commitment of the PPS staff contributed to these achievements in 2015.
