Background

The North Eastern Provincial Council was established in 1989 at the time the Department of Sports was organized as a Unit under the Ministry of Education, Cultural affairs and Sports. In year 2001 the Sports unit had been established as a separate Department of Sports North Eastern Province under the same ministry. After the demerger of North East Province Council since 2007 the department had be come to ministry of Health, Sports & IT Education after the Eastern Provincial Council election which was held on 2008 June.

Eastern Province Department of Sports does overall supervision of the Sports activities in 3 Districts of Ampara, Batticaloa ,Tricomalee. and included 45 Divisions and 1130 resisted Sports clubs.

Vision

Excellence in sports with Healthy and Disciplined people in the Province

Mission

To build healthier and disciplined society through providing adequate resources for the people of Eastern Province fairly and equitably to Participate sports competitions, improve health & work efficiency and facilitate notable talents to reach national and international levels.

Objective

1. Improving sports facilities and performance
2. Encouraging participation in sports activities
3. Developing healthier disciplinary society
4. Institutional Capacity Development
5. Good Governance
06. Construction for Sports Club

Functions

1. To promote and support sports activities and high performance sports
2. To implement the sports for all programme in partnership with ministry of sports, other Institutions and sports association
3. To provide sports equipment to sports clubs and athletes
4. To help build the capacity of Sports Service Officers, Sports administrators and sports volunteers
5. To promote the fire play, anti-doping and equity in Sports
6. Talent Identification programme for 3 years planning to promote in Sports
7. T.OT. programme to develop the Sports Officers relatively programme at Inter District Tournament.

Status of the Sector

“**Sports for all**” concept introduced to Excellence in sports with healthy and disciplined society of Eastern Province. However due to the previous policies significant number of people have not been afforded the opportunity to develop and make use of their full potentials in addition, there were no specifically focused programme to address the need of people.

Organizing Sports competition, and training at Divisional level are handled by the Divisional Sports Officers, Sports administration, competition and organization at District level are handled by the District Sports Officers. Sports administration, competition and organization at Provincial level are the responsibilities of the Director of Sports in the Department of Sports Eastern Province.

Values

- ❖ Sports is a universal language .
- ❖ Sports can make good relationship with all communities.
- ❖ Acknowledgement of the need and responsibility to develop Eastern Province Athletes to pursue excellence in sports internationally
- ❖ Recognition of the importance of the effective coaching, administration, sports, medicine and officiating in sports
- ❖ Sports can make a very positive contribution to the development of the children, social inclusion, crime prevention and quality of life in our communities
- ❖ In communities affected by conflict, sports have a very important role to play in providing children with information and opportunities to change the stereotypes about those different from themselves
- ❖ Encourage development of sports and support of the promotion of physical education, Health and Recreation in Eastern Province, in particular amongst person with disability, women and veterans.
