

EASTERN DEVELOPMENT PLAN 2012 - 2016

Volume II : Pipeline of Projects

Eastern Provincial Council
Trincomalee

CONTENTS

1: Agriculture, Forestry and Lands	--	01 – 76
1.1 Crop Sector	--	01
1.2 Livestock	--	51
1.3 Fisheries	--	64
1.4 Forestry	--	73
2: Infrastructure Development	--	77-98
2.1 Roads	--	77
2.2 Transport	--	81
2.3 Irrigation	--	83
2.4 Water Supply	--	88
2.5 Sanitation	--	91
2.6 Electricity	--	92
2.7 Telecommunication	--	95
2.8 Housing	--	96
2.9 Postal Service	--	97
2.10 Urban Development	--	98
3: Industrial Development	--	99-112
3.1 Industry	--	99
3.2 Tourism Development	--	110
4: Human Development	--	113-166
4.1 Education	--	113
4.2 Health	--	125
4.3 Child Care protection	--	155
4.4 Social Safety Net	--	158
4.5 Sports	--	161
4.6 Culture	--	164
4.7 Gender	--	165
5: Provincial Governance	--	167-172
6: Environment and Disaster Management	--	173-177

01 AGRICULTURE, FORESTRY AND LANDS

1.1 CROP SECTOR

Project No: Agr/Crop/01

Construction of agro wells for OFC and vegetable cultivation	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Farmers who have to limit cultivation due to shortage of water in Yala season farmers are unable to involve OFC cultivation continuously and to get stable income
4. Approximate cost of the project	Rs.400 Million (2000x 200,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/02

Promote sprinkler irrigation for chili and up country vegetables	
1. Implementing Ministry	Ministry of Agriculture
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Farmers have to limit cultivation due to shortage of water and minimize the effect of leaf curl complex and do efficient management and utilization of land.
4. Approximate cost of the project	Rs.75,000x 75= 5.62 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/03

Expansion of vegetable and OFC cultivation in new lands	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	There are uncultivated new lands available here. Farmers would be able to increase the profit margin through OFC and vegetable cultivation.
4. Approximate cost of the project	Rs.150,000x 200 acres = 30 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/04

Promotion of organic vegetable cultivation	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Farmers are presently using agro chemicals and fertilizers. It creates to the environment pollution and the high cost of production.
4. Approximate cost of the project	Rs.15,000 x 90 units(1/4ac) = 1.3 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/05

Establishment of model home gardens (2000)	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Most of the families are unable to get balance diet due to the low income and also depend on market for their consumption proposes. Families are able to consume chemical free products through home gardens.
4. Approximate cost of the project	Rs.5000x 2000 = 10 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/06

Green maneuvering of paddy lands	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Around 80% farmers use agro chemicals which result degrading the soil fertility, soil texture and increase the cost of production.
4. Approximate cost of the project	Rs.2000x 600 unit = 1.2 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/07

Integrated pest management demonstrations (140)	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	People are consuming the chemical applied products which causes bad health condition (bio Magnification) Chemical pesticides create pest resistance and develop new strains.
4. Approximate cost of the project	Rs.5000x 140 = 0.7 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/08

Promotion of red onion cultivation	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Onion is one of the cash crops and short aged plant. Management practice is also very easy. It is suitable for coastal areas. There is higher demand than supply.
4. Approximate cost of the project	Rs.60,000x 100ac = 6Million
5. Duration of the project	5 phases

Project No: Agr/Crop/09

Expansion of big onion cultivation	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Big onion is one of the cash crops. Farmers can get high profit within a short period through Big onion could be cultivated during the off season.
4. Approximate cost of the project	Rs.60,000x20ac =1.2Million
5. Duration of the project	5 phases

Project No: Agr/Crop/10

Cultivation of grain legumes in paddy fields	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Pulses are most preferable and nutritional food in Batticaloa district. Farmers can get high profit within a short period of cultivation. Pulses could be cultivated during the off season also.
4. Approximate cost of the project	Rs.04 Million (200acx15,000/= +20x 50,000)
5. Duration of the project	5 phases

Project No: Agr/Crop/11

Construction of salt exclusion bunds	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	<p>Most of the cultivable lands are covered by the lagoon which cause saline problem and it leads to low level of productivity.</p> <p>Construction of exclusion bund would prevent the instruction of saline water to the cultivable lands.</p> <p>There by productivity of the land would be increased.</p>
4. Approximate cost of the project	Rs.04 Million 50 Km = 200Million(It should be studied)
5. Duration of the project	5 phases

Project No: Agr/Crop/12

Chili cultivation models in coastal areas	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Chilli is one of the cash crops and most profitable crop. It is suitable for coastal areas. There is higher demand than supply.
4. Approximate cost of the project	Rs.3 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/13

Promotion of best practices in chilli cultivation	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Chilli is one of the cash crops and most profitable crop. It is suitable for coastal areas. There is higher demand than supply.
4. Approximate cost of the project	Rs.3 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/14

Establishment of cottage villages- Batticaloa	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Suitable land, water and environment exist throughout the year and there is a possibility of promoting marketing and cottage industries.
4. Approximate cost of the project	Rs.9 Million (20Acx9 village)
5. Duration of the project	5 phases

Project No: Agr/Crop/15

Promoting drip irrigation in vegetable cultivation	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Suitable environmental factors and skill laborers available. Able to increase the cultivation extend and yield in water scarcity areas and during dry season under the drip irrigation.
4. Approximate cost of the project	Rs.9 Million (20unitx9village)
5. Duration of the project	5 phases

Project No: Agr/Crop/16

Establishment of fruit plant nurseries	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Lack of fruit plant seedlings production to fulfill the district needs. High demand for the fruit plant seedlings in the district.
4. Approximate cost of the project	Rs.2 Million (2unitx6 village)
5. Duration of the project	5 phases

Project No: Agr/Crop/17

Manage of fruit trees	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	About 60% of the fruit plants are old plants, as a result of this' the fruit production becomes low.
4. Approximate cost of the project	Rs.1.5 Million (20x 5000x17)
5. Duration of the project	5 phases

Project No: Agr/Crop/18

Improved harvesting of fruits	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	About 20-30% of the losses take place during improper harvesting methods
4. Approximate cost of the project	Rs.1.7 Million(20x 5000x17)
5. Duration of the project	5 phases

Project No: Agr/Crop/19

Pest control in tall fruit trees	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Significant percentage of the production is affected by the pest age due to the non availability of rocking sprayer
4. Approximate cost of the project	Rs.8.5 Million(10x 17x50000)
5. Duration of the project	5 phases

Project No: Agr/Crop/20

Improved management of fruit trees	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	By controlling the plant canopy of the fruit plants, we can increase the number of plants in unit areas; as a result production is increased.
4. Approximate cost of the project	Rs.1.7 Million (20x 5000x17)
5. Duration of the project	5 phases

Project No: Agr/Crop/21

Effects of environmental factors	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Suitable environmental factors exist in the district, potential for expansion for this product also high demand in the market.
4. Approximate cost of the project	Rs.6.8 Million (5x9x0.15mn)
5. Duration of the project	5 phases

Project No: Agr/Crop/22

Seed paddy production	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	<p>Farmers in Batticaloa facing difficult in obtaining quality seed paddy for several years and the private sector seeds are expensive.</p> <p>Quality seeds alone can increase yields up to 20% without other inputs.</p> <p>It is proposed to promote quality seed paddy production by the seed growers' association and farmers' organization through contract with progressive farmers.</p>
4. Approximate cost of the project	Rs.06 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/23

Lagoon water exclusion bunds	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	<p>There are two types of saline soils in Batticaloa district.</p> <ol style="list-style-type: none"> 1. Coastal belt of Batticaloa lagoon. 2. Interior saline paddy soils <p>By providing necessary flood bunds and structures to prevent lagoon water entering the costal paddy fields and drainage and amendments interior saline paddy fields, paddy cultivation in these lands can be made possible and the total areas under paddy in the district could be increased.</p>
4. Approximate cost of the project	Rs.04 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/24

Paddy land leveling demonstrations	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	<p>Paddy fields in the Batticaloa district are generally undulating and are not leveled making management difficult and yields are reduced.</p> <p>By leveling water management will be made easier and effective as well as can reduce wastage of valuable irrigation water.</p> <p>Also the plots can be made larger that will increase the area by removing unnecessary bunds that will also provide early access and convenience for mechanized harvesting.</p>
4. Approximate cost of the project	Rs.05 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/25

Soil fertilizing improvement in paddy lands	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	<p>Paddy soils in the district are generally poor and application of organic manure can improve the soil tremendously and will increase yield quality. Hence it is proposed to promote production and use of organic manure various ways.</p> <ol style="list-style-type: none"> 1. Use of straw. 2. use of half burn paddy husk 3. Promote the life fences with plants like giliricidia & use of lopping. 4.Cultivation and use of Green manure like sun hemp where ever possible.(fence/protection)
4. Approximate cost of the project	Rs.03 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/26

Supply of power sprayers to control brown plant hopper outbreaks	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Batticaloa district has an extent of 58,378 ha under cultivation of paddy and produce about 250,000mt of paddy an year with an average yield of 4.2 mt per hectare. Every season Batticaloa District also has the BPH attack and the farmers find it difficult to control it mainly due to lack of sprayers. Mostly they use hand sprayers that is time consuming and the spray does not reach the target like that of the power sprayer are very effective and consumes less time and a large extent can be covered with a short period of time. Hence it is proposed to supply power sprayers to paddy farmers for the control of BPH.
4. Approximate cost of the project	Rs.2.0 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/27

Reducing soil compaction in paddy lands	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Due to continuous use of the fine tillers and with introduction of combined harvesters, the paddy soils are compacted with the formation of a hard pan and needs to be opened to facilitate better drainage root growth and nutrient absorption.
4. Approximate cost of the project	Rs.05 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/28

Construction of paddy storage in Batticaloa District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Ministry of Land, Agriculture, Livestock Development and Fisheries
3. Description of the project	Batticaloa district has an extent of 58,378 ha under cultivation of paddy and produce about 250,000 Mt of paddy an year with an average yield of 4.2 Mt per Hectare which is surplus for the district. Farmers do not have sufficient storage facilities in their homes and wish to sell their produce immediately after harvest and to settle their debts. This result in the private traders, middlemen and millers to exploit the situation and the farmers are compelled to sell their produce at a low price offered by the traders or the middle men. Earlier when the paddy marketing Board (PMB) existed, PMB had a series of large stores to by the produce at a floor price and stored in their stores and released the stock to millers as and when needed. It was an better arrangement and the farmers benefited. If this system is brought back, with storage facilities in paddy producing areas, paddy farmers will benefit with assured market for their produce and will take more interest in their cultivation activities. Farmer Organizations (FOs) and multi –purpose Co-operative Societies (MPCS) also could be involved and stores facilities could be provided to undertake this and provide capital for the purchase.
4. Approximate cost of the project	Rs.60 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/29

Mobile soil testing laboratories	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Fertilizers use can be made more efficient and cheap if the soil fertility is determined through soil testing. The available facilities are not sufficient to cater the needs of the district. The current fertilizer recommendation which is not the best practice and more often fertilizers are wasted costing the farmers.
4. Approximate cost of the project	Rs.10 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/30

Promoting traditional rice varieties	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Some traditional rice varieties are more adapted to some of the marginal rice lands and uneconomical use of fertilizers and agrochemicals could be reduced and saved. Some of these varieties can be grown in saline soil also. These traditional rice varieties are considered good for patients with illness such as diabetes.
4. Approximate cost of the project	Rs.1 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/31

Cultivation of vegetables and other field crops in paddy lands	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Potential areas will be identified for cultivation of OFC and vegetables in paddy fields and provide Agro- wells under subsidy. This will increase production of OFC and vegetables in the district and income of the farmers. Paddy also could be cultivated in some areas where there is a shortage of irrigation.
4. Approximate cost of the project	Rs.20 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/32

Reactivating seed producers association	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Quality seed paddy is not available in sufficient quantities at the required time for the farmers in time. The rich farmers obtain certified seed paddy from both private and the department on their own at high cost. Quality seed paddy is the key for increased yield and all improved practices will not produce high yields if the seed is not of accepted standard.

	<p>A seed producer Association (SPA) was formed under the FAO seed project and started functioning with limited resources. When FAO seed project was closed, the functioning of the Association cease function. This association needs to be recognized with active members and be assisted with funds and facilities such as an office, stores, Transport, seed Processing Machines, Regular supply of Basic seeds (Regd.Seeds)of varieties required by the district, and Initial Capital etc. so that sufficient quantities of required varieties will be made available within the district at an affordable price for the farmers.</p> <p>Initially the SPA can concentrate on Seed Paddy production and the activities can be extended to other crops –OFC and local vegetables.</p>
4. Approximate cost of the project	Rs.10 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/33

Establishment of 9 famer fairs	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Producers and consumers suffer from getting a reasonable as the involvement of middlemen.
4. Approximate cost of the project	Rs.9 Million(6x1.5 Million)
5. Duration of the project	5 phases

Project No: Agr/Crop/34

Marketing of fruits	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Lack of organized marketing in fruits, producers and consumers are not benefited.
4. Approximate cost of the project	Rs.3.8 Million (25x0.15 Million)
5. Duration of the project	5 phases

Project No: Agr/Crop/35

Fresh fruit processing and selling	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	High demand for fresh fruit juice. Women and street sellers can easily generate income.
4. Approximate cost of the project	Rs.6.8 Million(5x9x0.15mn)
5. Duration of the project	5 phases

Project No: Agr/Crop/36

Fruit processing as a cottage industry	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Farmers sell their produces as direct fruits during peak and get low price. Surplus fruits can be processed and value added to income increase.
4. Approximate cost of the project	Rs.6.8Million (5x9x0.15 Million)
5. Duration of the project	5 phases

Project No: Agr/Crop/37

Value addition of vegetables	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Provision of assistance to 28 beneficiaries for value addition activities of vegetables
4. Approximate cost of the project	Rs.50,000x28bene=1.4Million
5. Duration of the project	5 phases

Project No: Agr/Crop/38

Provision of storage (cooler) facility	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Minimize the post harvest losses of vegetables and get higher price by value addition. Surplus production during the on season can be preserved there by they could be able to get higher price during off season.
4. Approximate cost of the project	Rs.50,000x15 bene= 0.75Million
5. Duration of the project	5 phases

Project No: Agr/Crop/39

Establishment of fruit plant nurseries	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	There is shortage and availability of better quality seeds and planting materials on time the potential areas.
4. Approximate cost of the project	Rs.8Million x 03=24Million
5. Duration of the project	5 phases

Project No: Agr/Crop/40

Processing of rice base produces	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Paddy produced in Batticaloa district and price paid for the farmers during harvest is very low. If the paddy/rice could be converted to Rice flour or Rice flakes the farmers will get better price. This could be achieved by providing training, necessary equipments, and organizing marketing for Women's Societies in the rice growing areas to undertake production of these rice based products.
4. Approximate cost of the project	Rs.50 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/41

Foreign short training of junior extension staff	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Most of staff are newly recruited and lack of field experience. Senior staff had little access to foreign exposure visits due to domestic war.
4. Approximate cost of the project	Rs.20 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/42

Improvement of agricultural extension centres	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Agriculture extension centers function with lack of facilities. As a result farmers are unable to get effective services from these centers.
4. Approximate cost of the project	Rs.8.5 Million(17x0.5 Million)
5. Duration of the project	5 phases

Project No: Agr/Crop/43

Provision of transport facilities to the field staff	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Field technical staff needs to travel 30-40 Km/day to serve farming population. They are unable to provide the effective extension activities due to lack of official mobility.
4. Approximate cost of the project	Rs.5 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/44

In-service training of extension staff	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Most of the newly recruited technical staff need in depth training to upgrade knowledge.
4. Approximate cost of the project	Rs.50 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/45

Provision of mobilizing to District Extension staff	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	Field activities needs to be monitored and guided. Field staff needs to be supervised and guided. Group of staff can be visited at a time and conducted training and evaluation.
4. Approximate cost of the project	Rs.30 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/46

Establishment of Extension service offices	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	To render efficient and effective extension services to farming population.
4. Approximate cost of the project	Rs.5.5 Million x 40 =220Million
5. Duration of the project	5 phases

Project No: Agr/Crop/47

Crop clinic services	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Batticaloa
3. Description of the project	To provide easy and efficient method of extension service to disseminate the message immediately during outbreaks. Conduct efficient the crop clinic services.
4. Approximate cost of the project	Sufficient fund allocation
5. Duration of the project	5 phases

Project No: Agr/Crop/48

Reactivating conflict affected paddy farmers	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	The extent of paddy cultivation was reduced during the conflict period mainly uncertain security situation and lack of initial capital for cultivation. The farmers lost the belonging during the battle, borrowing the money from local money lenders and government also becomes very difficult.
4. Approximate cost of the project	Rs.48 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/49

Paddy land improvement - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Paddy fields in Trincomalee district are generally undulating and are not leveled making water management difficult and yields are reduced. By leveling water management will be made easier And effective as well as can be reduce wastage of valuable irrigation water. Also the plots can be made larger that will increase the area by removing unnecessary bunds that will also provide early access and convenience for mechanized harvesting
4. Approximate cost of the project	Rs.30 Million(5000acx6000)
5. Duration of the project	5 phases

Project No: Agr/Crop/50

Fertilizing improvement in paddy lands - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	<p>Paddy soils of the district are generally poor and application of organic manure can improve the soil tremendously and will increase yield and quality. Hence it is proposed to promote production and use of organic manure various ways.</p> <ul style="list-style-type: none"> I. Use of paddy half burn husk II. Straw recycling III. Promote live fences with plants like gilirciridia & use of lopping IV. Use of cattle/animal dung & waste where ever possible V. Cultivation & use of green manure like sub hemp where ever possible(fence/protection)
4. Approximate cost of the project	Rs.20 Million(1000acx2000.00)
5. Duration of the project	5 phases

Project No: Agr/Crop/51

Improving soil compaction in paddy lands - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Due to continuous use of fine tillers and with introduction of combined harvesters, the paddy soils are compacted with the formation of a hard pan and needs to be opened to facilitate better drainage root growth and nutrient absorption.
4. Approximate cost of the project	Rs.10 Million(2000acx5000)
5. Duration of the project	5 phases

Project No: Agr/Crop/52

Seed paddy production - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	<p>Farmers in Trincomalee district facing difficult in obtaining quality seed paddy for several years and the private sector seeds fare expensive.</p> <p>Quality seeds alone can increase yield up to 20% without other inputs.</p> <p>It is proposed to promote quality seed paddy production by the seed growers' association and farmers' organization through contract with progressive farmers.</p>
4. Approximate cost of the project	Rs.12 Million (3000acx4000)
5. Duration of the project	5 phases

Project No: Agr/Crop/53

Flood exclusion bunds in paddy areas - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	<p>There are two types of saline soils in Trincomalee district</p> <p>a) Costal belt of seas in Trincomalee</p> <p>b) Interior saline paddy soils</p> <p>By providing necessary flood bunds and structure to prevent lagoon water entering the coastal paddy fields and drainage and amendments interior saline paddy field, Paddy cultivation in these lands can be made possible and the total are under paddy in the district could be increased.</p>
4. Approximate cost of the project	Rs.10 Million(2000acx500)
5. Duration of the project	5 phases

Project No: Agr/Crop/54

Supply of power sprayers to control brown plant hopper - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Trincomalee district has an extent of 45,439ha under cultivation of paddy and produce about 220,000mt of paddy an year with an average yield of 4.6 mt per hectare. Every season Trincomalee district also has the BPH attack and the farmers find it difficult to control it mainly due to lack of sprayers. Mostly they use hand sprayers that is time consuming and the spray does not reach the target like that of the poor sprayer and are unable to achieve full control. It has been found power sprayers are very effective and consumes less time and a larger extent can be covered with a short period of time. Hence it is proposed to supply power sprayers to paddy farmers for control of BPH
4. Approximate cost of the project	Rs.2.8 Million(100nosx28000)
5. Duration of the project	5 phases

Project No: Agr/Crop/55

Promoting traditional rice varieties - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Some traditional rice varieties are more adapted to some of the marginal rice lands and produce economical yield with low inputs. By promoting this excessive and uneconomical use of fertilizer and agrochemicals could be reduced and saved. Some of these varieties can be grown in saline soils also. These traditional rice varieties are considered good for patients with illness such as diabetes.
4. Approximate cost of the project	Rs.3 Million(1000acx3000)
5. Duration of the project	5 phases

Project No: Agr/Crop/56

Re-activating Seed Producers Association - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	<p>Quality seed paddy is not available in sufficient quantities at the required time for the farmers in time. The rich farmers obtain certified seed paddy from both private and the department on their own at high cost. Quality seed paddy is the key for increased yield and all improved practices will not produce high yields if the seed is not of accepted standard.</p> <p>Seed producers Association (SPA) was formed at Kanthale AI Range in the year 2009, and started functioning with limited resources. This association needs to be recognized with active member who supply Machines, Regular supply of Basic seeds (Regd.Seeds) of varieties required by the district, and the district at an affordable price for the farmers.</p> <p>Initially the SPA can concentrate on Seed Paddy production and the activities can be extended to other crops -OFC and local vegetables.</p>
4. Approximate cost of the project	Rs. 45 Million (9societiesx5)
5. Duration of the project	5 phases

Project No: Agr/Crop/57

Construction of paddy storage in Trincomalee	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	<p>Trincomalee district has an extent of 45,439 ha under cultivation of paddy and produce about 2, 10,000mt of paddy an year with an average yield of 4.6mt per Hectare which is surplus for the district. Farmers do not have sufficient storage facilities in their homes and wish to sell their produce and at low price offered by the traders or the middle men. Earlier when the paddy marketing Board(PMB) existed, PMB had a series of large stores to by the produce at a floor price and stored in their stores and released the stock to millers as and when needed .It was an better arrangement and the farmers benefited. If this system is brought back, with storage facilities in paddy producing areas, paddy farmers will benefit with assured market for their produce and will take more interest in their cultivation activities. Farmers Organisations (FOs) and multi -purpose Co-operative Societies (MPCS) also could be involved and stores facilities could be provided to undertake this and provide capital for the purchase.</p>
4. Approximate cost of the project	Rs.60 Million(10x6nos)
5. Duration of the project	5 phases

Project No: Agr/Crop/58

Integrated pest management training - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Farmers are unable to understand the beneficial insects' symptoms, residual hazardous, and effect of poisonous agrochemicals.
4. Approximate cost of the project	Rs.1.1Million
5. Duration of the project	5 phases

Project No: Agr/Crop/59

Bringing uncultivated highlands into cultivation	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	There are uncultivated new lands available here. Farmers would be able to increase the profit margin through OFC and vegetable cultivation
4. Approximate cost of the project	Rs.50 Million(2000acx25,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/60

Cultivation of grain legumes in paddy lands - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Pulses are most preferable and nutritional food in Trincomalee district. Farmers can get high profit within a short period of cultivation. Pulses could be cultivated during the off season also.
4. Approximate cost of the project	Rs.25 Million(2500acx10,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/61

Promoting improved cultivation practices in red onion - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Red onion is one of the cash crop and short aged plant. Management practices also very easy. It is suitable for coastal areas. There is higher demand than supply.
4. Approximate cost of the project	Rs.14 Million(2000acx70,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/62

Promoting red onion cultivation in coastal areas - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Onion is one of the cash crop and short aged plant. Management practices also very easy. It is suitable for coastal areas. There is higher demand than supply.
4. Approximate cost of the project	Rs.3.5 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/63

Promoting cultivation of chillies in coastal areas - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Chilly is one of the cash crop and most profitable crop. It is suitable for coastal areas. There is higher demand than supply
4. Approximate cost of the project	Rs.15 Million(300acx50000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/64

Micro irrigation of other field crops - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Farmers have to limit cultivation due to shortage of water in yala season. Farmers are unable to involve OFC cultivation continuously and to get stable income.
4. Approximate cost of the project	Rs.12.5 Million(125acx100,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/65

Revolving fund for other field crops - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	OFC cultivation faced financed constrains to stat cultivation. This project aiming to encourage the OFC farmers engage in crop Production.
4. Approximate cost of the project	Rs.10 Million(1000x10,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/66

Promotion of compost making - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Around 80% farmers use agro chemicals which result degrading the soil fertility soil texture and increase the cost of production.
4. Approximate cost of the project	Rs.10 Million(2000unitsx5,000)
5. Duration of the project	5 phases

Project No: Agr/Crop/67

Model organic farms - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	To create the awareness among the farmers to involve /adapt to the organic farming. To provide healthy and nutritional foods.
4. Approximate cost of the project	Rs.5.5 Million(11unitsx500,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/68

Establishment of model vegetable gardens - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Most families are unable to get balanced diet due to the low income and also depend on market for their consumption purposes. Families are able to consume chemical free products through home gardens.
4. Approximate cost of the project	Rs.10 Million(1000nosx10,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/69

Promoting organic vegetable cultivation- Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Farmers are presently using agro chemical which result degrading the soil fertility and change the soil texture. They have to spend huge amount of money for agro chemicals and fertilizer, it increase to the environment pollution and the high cost of production.
4. Approximate cost of the project	Rs.25 Million(250acx100,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/70

Integrated pest management training - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	People are consuming the chemical applied products which cause bad health condition (bio magnification). Chemical pesticides create pest resistance and develop new strains.
4. Approximate cost of the project	Rs.1Million(200nosx5000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/71

Supply of solar driers	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Promote value addition and Agro product through House wife group
4. Approximate cost of the project	Rs.60 Million(1000Nosx60,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/72

Construction of agro wells for OFC and vegetable cultivation - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Farmers have to limit cultivation due to shortage of water in yala season. Farmers are unable to involve OFC cultivation continuously and to get stable income.
4. Approximate cost of the project	Rs.104 Million(520x200,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/73

Agro wells for the cultivation of other field crops in paddy lands - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Potential areas will be identified for cultivation of OFC and vegetable is paddy field and agro wells under subsidy. This will increase production of OFC and vegetables in the district and income of the farmers. Paddy also could be cultivated in some areas where there is shortage of irrigation assists to increase production.
4. Approximate cost of the project	Rs.45 Million(900x500.000)
5. Duration of the project	5 phases

Project No: Agr/Crop/74

Utilizing drainage water for paddy cultivation - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Large volume of drainage water and river water flow in the sea throughout the year without using for crop production. This water can be used by construction of bunds in the possible areas. A considerable extent could be brought under cultivation.
4. Approximate cost of the project	Rs.50 Million(5x10)
5. Duration of the project	5 phases

Project No: Agr/Crop/75

Value addition of paddy products - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Suitable Land, water and environment exist throughout the year and there is a possibility of promoting marketing and cottage industries.
4. Approximate cost of the project	Rs. 7.5 Million(25villagedx1acx300,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/76

Management of fruit trees / rejuvenation of fruit trees - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	About 60% of the fruit plants are old plants, as a result of this the fruit production becomes low.
4. Approximate cost of the project	Rs.1.5 Million(300acx5,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/77

Promote use of rocking sprayer	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Significant percentage of the production is affected by the pest age due to the non availability of rocking sprayer.
4. Approximate cost of the project	Rs.2.5 Million(50nosx50,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/78

Promote drip irrigation for banana cultivation - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Suitable environmental factors and skill laborers available ,able to increase the cultivation extent and yield in water scarcity areas and during dry session under the drip irrigation
4. Approximate cost of the project	Rs.120 Million(600acx200,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/79

Establishment of fruit plant nursery - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Lack of fruit plant seedling production to fulfill the district needs. High demand for the fruit plant seedling in the district.
4. Approximate cost of the project	Rs.6 Million(11units)
5. Duration of the project	5 phases

Project No: Agr/Crop/80

Pruning and training of fruit plants - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	By controlling the plant canopy of the fruit plants, we can increase the number of plants in unit area as a result production is increased.
4. Approximate cost of the project	Rs.5 Million(500acx10,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/81

Supply of harvesting equipments of fruit trees - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Special focus need to be provided to facilitate economic activities for the land less and poor farmers to get sustainable income for surplus production.
	Rs.1.25 Million(250nosx5000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/82

Promotion & expansion of grapes cultivation - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Suitable environmental factors exist in the district, potential for expansion for this product also high demand in the market.
4. Approximate cost of the project	Rs.25 Million(50acx0.5mn)
5. Duration of the project	5 phases

Project No: Agr/Crop/83

Introduction of dragon fruit - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Suitable environmental factors exist in the district, potential for expansion for this product also high demand in the market
4. Approximate cost of the project	Rs.15 Million(50nosx300,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/84

Strengthen the individual farmers to enhance production capacity and advance the income generation through value addition - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	The beneficiary already involved in producing value added product of fruits & others. They will be able to do it on their own increase there output & beneficiary will get more income.
4. Approximate cost of the project	Rs.10 Million(500 farmersx20,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/85

Establishment of farmer training centres - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	There will be a lateral spread of knowledge skill behavior and motivate the farmers to involve in improved agriculture and increase the productivity and income dissemination of improve technology to farmers is an important requirement to increase productivity of land as well as labour, reduce cost of production and enhance income of the farmers
4. Approximate cost of the project	Rs.60 Million(5nosx12)
5. Duration of the project	5 phases

Project No: Agr/Crop/86

Establishment of farm machinery centres - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	The labour shortage prevailing in agriculture will increase in future through mechanization increase efficiency, productivity & quality of product and reduce cost production
4. Approximate cost of the project	Rs.66 Million(4nosx16mn)
5. Duration of the project	5 phases

Project No: Agr/Crop/87

Establishment of farmer training centres - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	In order to need of the farmers to meet the need of farmers' requirement the DOA established FTC with least facilities at Munnampodiveddai & Naduoothu the sender has to be strengthened.
4. Approximate cost of the project	Rs.03 Million(2nosx1.5)
5. Duration of the project	5 phases

Project No: Agr/Crop/88

Establishment of a soil testing laboratory - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Fertilizer use can be made more efficient and cheap if the soil fertility is determined through soil testing. The available facilities are not sufficient to cater the needs of the districts. The urgent fertilizer recommendation and use are based on a blanket recommendation which is not the best practice and more often fertilizers are wasted coasting the farmers.
4. Approximate cost of the project	Rs.05 Million(01no)
5. Duration of the project	5 phases

Project No: Agr/Crop/89

Establishment of plant protection & surveillance unit - Trincomalee District	
1. Implementing ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Plant protection service in crop production management sector is a vital component to be steam lined in institutional level for surveillance forecasting and managing the incidence of adverse damage by pest & disease. Before the provincial setup was formed plant protection units were established in each district office and functioned under the purview of plant protection unit of DOA. Now it is not functioning.
4. Approximate cost of the project	Rs. 15Million(1x15Million)
5. Duration of the project	5 phases

Project No: Agr/Crop/90

Establishment of ADA's officers and quarters - Trincomalee District	
1. Implementing ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Office cum quarters an extension office to remain with the farmers to guide and educate them on improved agricultural operation for higher production and efficient resource utilization.
4. Approximate cost of the project	Rs. 80 Million(04nosx 2000,000/=)
5. Duration of the project	5 phases

Project No: Agr/Crop/91

Establishment of A'S officers and quarters - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Office cum quarters required an extension office to remain with the farmers to guide and educate them on improved agricultural operation for higher production and efficient resource utilization.
4. Approximate cost of the project	Rs. 44 Million(11nosx4Million)
5. Duration of the project	5 phases

Project No: Agr/Crop/92

Establishment of agricultural sales outlets - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Improving marketing, processing and value addition of Agricultural base product in the district
4. Approximate cost of the project	Rs. 15Million(6x 2.5Million)
5. Duration of the project	5 phases

Project No: Agr/Crop/93

Establishment of agro-technology park - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Economically viable and agricultural education centre in an aesthetically placing environment while preserving rich agriculture heritage of Sri Lanka
4. Approximate cost of the project	Rs. 15Million(1no)
5. Duration of the project	5 phases

Project No: Agr/Crop/94

Provision of mobility to the agriculture extension staff - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Lack of mobility at present coverage of farmers by at and ADA are about 10% in a segment without using a vehicle could be increase more than 50%
4. Approximate cost of the project	Rs. 70Million(1x70Million)
5. Duration of the project	5 phases

Project No: Agr/Crop/95

Promotion of plant crop clinic centres - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Overuse of pesticide causing toxic hazards to human and the environment.
4. Approximate cost of the project	Rs. 14Million
5. Duration of the project	5 phases

Project No: Agr/Crop/96

Establishment of farmer markets - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Farmer cannot obtain the right price for their primary Agricultural products due to a lack of knowledge in Agri business strategy and technology and lack of coordination causes failure of individual attempts.
4. Approximate cost of the project	Rs. 55Million(11nosx 05 Million)
5. Duration of the project	5 phases

Project No: Agr/Crop/97

Establishment of pulses processing units - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Profitability is one of the main problem faces by farmers processing and value addition pulses it could provide comparably more profit than selling raw produce.
4. Approximate cost of the project	Rs.60Million(6nos x 10Million)
5. Duration of the project	5 phases

Project No: Agr/Crop/98

Establishment of farmer companies - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Promotion of institution to strengthen the collective decision and production and marketing in line with present strand is taken up farmer companies would solve the farmer problem in procumbent of technology agri inputs, value addition storage as marketing of Agriculture produce.
4. Approximate cost of the project	Rs.22Million(2x11mn)
5. Duration of the project	5 phases

Project No: Agr/Crop/99

Capacity building extension staff - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Most of staff is newly recruited and lack of field experience Senior staff had little access to foreign exposure visits due to domestic war.
4. Approximate cost of the project	Rs.35Million(60nos)
5. Duration of the project	5 phases

Project No: Agr/Crop/100

Provision of bus for field exposure visits - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	Lack of mobility to take the field officers and farmers to other areas
4. Approximate cost of the project	Rs.10 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/101

Establishment of agriculture mobile unit - Trincomalee District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Trincomalee
3. Description of the project	To transfer latest technologies to the farmers in mass media
4. Approximate cost of the project	Rs.25 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/102

Promotion of organic vegetable cultivation - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Farmers are presently using agro chemicals and fertilizers. It creates to the environment pollution and the high cost of production.
4. Approximate cost of the project	Rs.112,000 per units (1/4ac)
5. Duration of the project	5 phases

Project No: Agr/Crop/103

Sustainable home garden development - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Most of the families are unable to get balanced diet due to the low income and also depend on market for their consumption proposes. Families are able to consume chemical free products through home gardens.
4. Approximate cost of the project	Rs.5000x2000=10 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/104

Compost making and use - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Around 80% farmers use agro chemicals which result degrading the soil fertility, soil texture and increase the cost of production
4. Approximate cost of the project	Rs. 3.0 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/105

Promote intensive vegetable cultivation - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	<ul style="list-style-type: none"> • Minimize the post harvest losses of vegetable and get higher price by value addition • Surplus production during the on season can be preserved there by they could be able to get higher price during off season • Increase the income generation • Produce & market the quality products • Increase the consumption rate.
4. Approximate cost of the project	Rs. 3 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/106

Establishment of vegetable seed farms and nurseries – Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	1. Not available the enough seeds materials & quality seeds in the areas 2. Establish the vegetable seeds farming in the area can be reduce the cost of purchasing the seeds materials.
4. Approximate cost of the project	Rs. 2.5 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/107

Establishment of model organic farms -Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	To creat the awareness among the farmers to involve/adopt to the organic farming. To provide healthy and nutritional foods.
4. Approximate cost of the project	Rs. 06 Million x 06= 36 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/108

Establishment of OFC zonal villages –Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	1. Pulses are most preferable and nutritional food in Ampara district. 2. Farmers can get high profit within a short period of cultivation. 3. Pulses could be Cultivated during the off season also
4. Approximate cost of the project	Rs. 54.72 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/109

Promote best practices in chilli cultivation – Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Chilli is one of the cash crops and most profitable crop. It is suitable for coastal areas. There is higher demand than supply.
4. Approximate cost of the project	Rs. 3 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/110

Promote out – grower system for OFC farmers – Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	<ul style="list-style-type: none"> • Formation of contract grower with society • Provide the training & technical wise • Availability of founded, Register seeds • Availability of department support
4. Approximate cost of the project	Rs. 2.5 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/111

Enhance production & productivity of OFC – Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	<ul style="list-style-type: none"> • Increase the income. • Yaya demonstration • Availability of contract growers
4. Approximate cost of the project	Rs. 12.3 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/112

Enhance production and productivity of OFC – Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Availability of better beneficiaries Have enough land
4. Approximate cost of the project	Rs. 5 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/113

Promote red onion cultivation – Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Onion is one of the cash crops and short aged plant. Management practice is also very easy. It is suitable for coastal areas. There is higher demand than supply.
4. Approximate cost of the project	Rs. 7.0 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/114

Expansion of big onion cultivation –Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Big onion is one of the cash crops. Farmers can get high profit within a short period through Big onion could be cultivated during the off season.
4. Approximate cost of the project	Rs. 60,000x20ac=1.2 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/115

Optimizing use of land and water resources – Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	<ul style="list-style-type: none"> • Increase of above range of Ampara district OFC 3000ha vegetable 400ha 8fruits 330 ha were cultivated. Availability of water is not enough for above crops. Therefore we have to suggest to put micro irrigation system. • The following advantage to use micro irrigation system. <ol style="list-style-type: none"> 1. Increase the extent 2. Reduce the water losses 3. Reduce the cost of cultivation 4. Reducing the loss of fertilizer application 5. Motivating the small holding cultivation 6. Suitable all types of plants 7. There is water scarcity during yala season therefore we have to suggest to put micro irrigation
4. Approximate cost of the project	Rs. 12.05 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/116

Optimizing use of land and water resources – Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	<ul style="list-style-type: none"> • Losing too much of fertility due to not using organic matter • Crop are losing the uniformity of the growth • Increase the pest & disease because of not using proper organic matter. • Soil structure. • Demand high • Increase the yield & harvest
4. Approximate cost of the project	Rs. 2.5 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/117

Increase rice productivity and profitability – Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Chemical usage is high in farmers field therefore no of resistance species are high when we have to apply chemical therefore no control against pest & disease. Pollution also high, environment balance collapse therefore we have to use IMP & IPNS in a demonstration thereafter demonstration result will be adopted by farmers.
4. Approximate cost of the project	Rs. 7.5Million
5. Duration of the project	5 phases

Project No: Agr/Crop/118

Increase rice productivity and profitability – Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	<ul style="list-style-type: none"> • After tsunami affect in coastal area paddy land was changed by salinity some area of soil has different soil problem Eg: alkality, salinity, lack of fertility • But farmers didn't find their particular problem but soil testing is best way for their problem solving method.
4. Approximate cost of the project	Rs. 1.06 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/119

Increase rice productivity and profitability – Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	When adopt this programme can utilize the free land up to profitable cultivation. At the same time farmer get income both and reduce price of OFC.
4. Approximate cost of the project	Rs. 24 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/120

Promote agro-based industries – Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	<ul style="list-style-type: none"> • We have manpower for the product of value added product. • Availability of raw materials • Have well technical support by DOA • Through this way, not available of equipment machineries & maintains
4. Approximate cost of the project	Rs. 10 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/121

Establishment of fruit villages – Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	<ul style="list-style-type: none"> • Suitable land, water and environment exist throughout the year and there is a possibility of promoting marketing and cottage industries. • Within the district fruit consumption is high, so that productivity of fruits cultivation very important
4. Approximate cost of the project	Rs. 19.46 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/122

Expansion of fruit cultivation - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	<ul style="list-style-type: none"> • Availability of home stead land • Presently new technologies available so that to exchange with farmers is vey important to promote homestead level.
4. Approximate cost of the project	Rs. 10.0 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/123

Establishment of fruit plant nurseries - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing agency	Department of Agriculture (Ext), Ampara
3. Description of the project	<ul style="list-style-type: none"> • Lack of fruit plant seedlings in the district • High demand for the fruit plant seedling in the district
4. Approximate cost of the project	Rs. 1.47 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/124

Promote and supply of fruit harvesting instruments - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing agency	Department of Agriculture (Ext), Ampara
3. Description of the project	<ul style="list-style-type: none"> • About 20 – 30 % of the losses take place due to improper harvesting methods.
4. Approximate cost of the project	Rs. 14.1 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/125

Strengthen farmer organizations - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Lack of organized marketing among fruits- producers and consumers are not benefited.
4. Approximate cost of the project	Rs. 8.24 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/126

Pruning and training of fruit plants – demonstrations - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	<ul style="list-style-type: none"> By controlling the plant canopy of the fruit plants, we can increase the number of plants in unit area as a result production is increased.
4. Approximate cost of the project	Rs. 3.75 Million
5. Duration of the project	2 phases

Project No: Agr/Crop/127

Promotion of grapes cultivation - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Sustainable environmental factors exist in the district, potential for expansion for this product also high demand in the market.
4. Approximate cost of the project	Rs. 21.5 Million
5. Duration of the project	3 phases

Project No: Agr/Crop/128

Processing and value addition in fruits - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Farmers sell their produces as direct fruits during peak and get low price. Surplus fruits can be processed and value added so income increase.
4. Approximate cost of the project	Rs. 7.45 million
5. Duration of the project	2 phases

Project No: Agr/Crop/129

Mobility for field staff - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Field technical staff needs to travel 30km to 40km per day to serve farming population. They are unable to provide the effective extension services due lack of official mobility.
4. Approximate cost of the project	Rs. 7.45 Million
5. Duration of the project	1 phase

Project No: Agr/Crop/130

Dissemination of new technology - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Agriculture extension centers functioning with lack of facilities. As a result, farmers are unable to get effective services from these centres.
4. Approximate cost of the project	Rs. 11.25 Million
5. Duration of the project	1 phase

Project No: Agr/Crop/131

Dissemination of new technology - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Most of the staff are newly recruited and lack of field experience. Senior staff had little access to foreign exposure visits due to domestic war.
4. Approximate cost of the project	Rs. 25.0 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/132

In-service training of extension staff - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Most of the newly recruited staff need in depth training to upgrade knowledge.
4. Approximate cost of the project	Rs. 5 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/133

Provision of 4 wheel vehicles for supervising staff - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Field activities needs to be supervised and guided. Group of staff can be visited at a time and conducted training and evaluation.
4. Approximate cost of the project	Rs. 24 Million
5. Duration of the project	2 phases

Project No: Agr/Crop/134

Establishment of soil testing laboratory - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Fertilizer use can be made more efficient and cheap if the soil fertility is determined through soil testing. The available facilities are not sufficient to cater the needs of the district. The current fertilizer recommendations and use are based on a blanket recommendation which is not the best practice and more often fertilizers are wasted costing the farmers.
4. Approximate cost of the project	Rs. 20.0 Million
5. Duration of the project	1 phase

Project No: Agr/Crop/135

Promoting district and mould bold ploughs - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Due to continuous use of Tine tillers and with introduction of combined harvesters, the paddy soils are compacted with the formation of a hard pan and needs to be opened to facilitate better drainage root growth and nutrient absorption.
4. Approximate cost of the project	Rs. 8.125 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/136

Value addition of rice - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Paddy produced in Ampara district is surplus for the district and price paid for the farmers during harvest is very low. If the paddy/rice could be converted to rice flour or rice Flakes, the farmers will get a better price. This could be achieved by providing training, necessary equipments and organizing marketing for women's Societies in the rice growing areas to undertake production of these rice based products.
4. Approximate cost of the project	Rs. 5.5 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/137

Supply of power sprayers - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Ampara district is a large paddy producing district in the country. Average yield is 5.0 Mt per hectare. Every season, Ampara district also gas the BPH attack and the farmers find it difficult to control it mainly due to lack of sprayers. Mostly, they use hand sprayers that is time consuming and the spray does not reach the target like that of the power sprayer and are unable to achieve full control. It has been

	found that power sprayers are very effective and consumes less time and a large extent can be converted with a short period of time. Hence, it is proposed to supply power sprayers to paddy farmers for the control of BPH.
4. Approximate cost of the project	Rs. 5.25 Million
5. Duration of the project	1 phase

Project No: Agr/Crop/138

Construction of agriculture instructor quarters cum office - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	To render efficient and effective extension services to farming population.
4. Approximate cost of the project	Rs. 127.0 Million
5. Duration of the project	5 phases

Project No: Agr/Crop/139

Establishment of mobile extension units - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	To provide easy and efficient method of extension service to disseminate the message immediately during outbreaks, conduct efficient the crop clinic services.
4. Approximate cost of the project	Rs. 50.0 Million
5. Duration of the project	1 phase

1.2 LIVESTOCK

Project No: Agr/Liv/01

Establishment of poultry breeder farm with hatchery unit- Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	High demand for Day old chicks
4. Approximate cost of the project	Rs. 50Million
5. Duration of the project	5 phases

Project No: Agr/Liv/02

Establishment of feed mill- Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	High demand for quality feed
4. Approximate cost of the project	Rs. 40 Million
5. Duration of the project	5 phases

Project No: Agr/Liv/03

Establishment of cattle breeder farm- Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Increase the local milk production by up -graded animal
4. Approximate cost of the project	Rs. 50Million
5. Duration of the project	5 phases

Project No: Agr/Liv/04

Establishment of Goat breeder farm farm- Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Increase the local meat & milk production by upgraded animal
4. Approximate cost of the project	Rs. 30 Million
5. Duration of the project	5 phases

Project No: Agr/Liv/05

Establishment of goat village- Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Increase the self employment & milk production
4. Approximate cost of the project	Rs. 20 Million/annum
5. Duration of the project	5 phases

Project No: Agr/Liv/06

Capacity building- Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Increase the capacity building of farmers and staff.
4. Approximate cost of the project	Rs. 30 Million
5. Duration of the project	5 phases

Project No: Agr/Liv/07

Animal production & health development- Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Genetically Improve the cattle where inaccessibility of AI service
4. Approximate cost of the project	Rs. 3 Million/annum
5. Duration of the project	5 phases

Project No: Agr/Liv/08

Animal production & health development- Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Increase the self employment & meat& milk production
4. Approximate cost of the project	Rs. 20 Million/ annum
5. Duration of the project	5 phases

Project No: Agr/Liv/09

Animal production & health development- Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Improve the Goats inaccessibility of AI service
4. Approximate cost of the project	Rs. 3 Million / annum
5. Duration of the project	5 phases

Project No: Agr/Liv/10

Improvement of AI service- Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Inadequate AI facilities
4. Approximate cost of the project	Rs. 3 Million/annum
5. Duration of the project	5 phases

Project No: Agr/Liv/11

Improvement of staff transport facilities (VSS&LDOO) - Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Providing satisfactory service to the public
4. Approximate cost of the project	Rs. 60 Million
5. Duration of the project	2 phases

Project No: Agr/Liv/12

Issuing G Establishment of cattle Breeder farm genetically Improved stud Goats	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Improve the Goats inaccessibility of AI service
4. Approximate cost of the project	Rs. 3 Million/ annum
5. Duration of the project	5 phases

Project No: Agr/Liv/13

Construction of VS office- Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Providing satisfactory service to the public
4. Approximate cost of the project	Rs. 20 Million/ office
5. Duration of the project	2 phases

Project No: Agr/Liv/14

Improve milk value addition- Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Supply quality product to meet the demand
4. Approximate cost of the project	Rs. 3 Million/ annum
5. Duration of the project	5 phases

Project No: Agr/Liv/15

Improvement of veterinary medical services- Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Satisfactory service to the public.
4. Approximate cost of the project	Rs. 3Million annum
5. Duration of the project	5 phases

Project No: Agr/Liv/16

Improvement of office capacity- Ampara District	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Agriculture (Ext), Ampara
3. Description of the project	Satisfactory veterinary service to the public
4. Approximate cost of the project	Rs. 6 Million
5. Duration of the project	1 phase

Project No: Agr/Liv/17

Establishment of cattle breeder farm unit.	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Animal production & Health,
3. Description of the project	A large no of farmers involved in dairy farming as a means of self employment. The small holder dairy farmers face the problem of finding quality animals to produce maximum quantity of milk. Establishment of cattle breeder farm unit will help to meet the demand of improved breed able cattle stock.
4. Approximate cost of the project	Rs. 200,000.00x2nos
5. Duration of the project	5 phases

Project No: Agr/Liv/18

Establishment goat breeder farm unit	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Animal production & Health,
3. Description of the project	A large no of farmers involved in Goat farming as a means of self employment. The small holder goat farmers face the problem of finding quality animals to produce maximum quantity of meat. Establishment of goat breeder farm unit will help to meet the demand of improved goat stock
4. Approximate cost of the project	Rs. 100,000.00x2nos
5. Duration of the project	5 phases

Project No: Agr/Liv/19

Heifer calve rearing scheme	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Animal production & Health,
3. Description of the project	Heifer calved born by artificial insemination mortality is high during dry season. Heifer calve rearing scheme will definitely help to decrease the mortality of Heifer calves and induce the farmers to do artificial insemination.
4. Approximate cost of the project	Rs.8,000.00x100 Nos
5. Duration of the project	5 phases

Project No: Agr/Liv/20

Establishment of Bio Gas unit	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Animal production & Health,
3. Description of the project	Most of the Livestock farmers are already in engaging in agriculture maximum usage of excreta of livestock to produce Bio-Gas will result in reducing the electricity and fertilizer expenditure.
4. Approximate cost of the project	Rs. 75,000x 02nos
5. Duration of the project	5 phases

Project No: Agr/Liv/21

Establishment of milk value addition unit.	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Animal production & Health, Batticaloa
3. Description of the project	Dairy Farmers in the Batticaloa district are facing the problem in getting the reasonable price for the milk value addition unit at small scale level will improve the milk production as well as farm gate price.
4. Approximate cost of the project	Rs. 150,000.00x02v nos
5. Duration of the project	5 phases

Project No: Agr/Liv/22

Small Scall backyard hatchery unit	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Animal production & Health,
3. Description of the project	The selected beneficiary will operate the backyard chicks at local levels. VS/LDO will provide necessary guide lines & training.
4. Approximate cost of the project	Rs. 20000/=,15000/=,50000/=
5. Duration of the project	5 phases

Project No: Agr/Liv/23

Supply of milking machine	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Animal production & Health,
3. Description of the project	Supply of milking machine
4. Approximate cost of the project	Rs. 102500x55
5. Duration of the project	5 phases

Project No: Agr/Liv/24

Veterinary hospital with welfare centre	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Animal production & Health,
3. Description of the project	There is no vet hospital in Trincomalee district and welfare centre. More small animals and large animals are in the district. To keep animals which are ruled out by the country.
4. Approximate cost of the project	Rs. 10,000,000/=
5. Duration of the project	5 phases

Project No: Agr/Liv/25

Meat producing unit	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Animal production & Health,
3. Description of the project	Unbreedable animals can be reared in this farm. Farmers can sell their animals with high price to the farm.
4. Approximate cost of the project	Rs. 10,000,000/=
5. Duration of the project	5 phases

Project No: Agr/Liv/26

Strengthening of veterinary office	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Animal production & Health,
3. Description of the project	There is no facilities to convey the new technologist to farmers time to time
4. Approximate cost of the project	Rs. 800,000/=
5. Duration of the project	5 phases

Project No: Agr/Liv/27

Poultry shed	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Animal production & Health,
3. Description of the project	Poultry rearing is high in Trincomalee district farmers do not have pens
4. Approximate cost of the project	Rs. 50000x220=11000000/=
5. Duration of the project	5 phases

Project No: Agr/Liv/28

Establishment of broiler hatchery unit	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Animal production & Health.
3. Description of the project	Poultry management is very popular among livestock farmers Eastern Province because of the high demand for poultry product. Further poultry sector plays an important role in economy by being a source of nutritional protein food an employment generation as. The Eastern Province depends on day old chicks and feed transported from other regions. Therefore transport cost is very high it will affect the cost of poultry production. The regional livestock farm have good experience in the hatchery management and expansion of farm with broiler hatchery unit will lead to decrease hatchery unit will lead to decrease the scarcity today old chicks and increase availability of day old chicks with affordable price .
4. Approximate cost of the project	Rs. 14.5Million
5. Duration of the project	2 phases

Project No: Agr/Liv/29

Establishment of pasture production & sale centers	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP Trincomalee
2. Implementing Agency	Department of Animal production & Health.
3. Description of the project	Agriculture and livestock farms an important component in the Eastern province. Dairy is an important sub sector and is extensively practiced in this province. In this province all pasture land was affected by violence as a result the quality of feed stuff to feed cattle also damaged and not fully replaced so far. While farmers find it difficult to feed their animals due to lack of good quality pasture and high cost of livestock (Concentrate) feeds. It will affect the milk and meat production. The establishment of Pasture resource centre is very essential to ensure that the cattle feed is available through out the year. This will promote the animal feed consumption which in turn will lead to increase milk and meat production and increased income generation and also standard of living.
4. Approximate cost of the project	Rs. 16Million
5. Duration of the project	1 phase

Project No: Agr/Liv/30

Strengthening of livestock breeders co-operative society	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Animal production & Health,
3. Description of the project	Livestock society has no funds for carry out livestock development activities in their range.
4. Approximate cost of the project	Rs. 500000x11=550000/=
5. Duration of the project	5 phases

Project No: Agr/Liv/31

Procurement of equipment for to make value added milk products.	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP Trincomalee
2. Implementing Agency	Department of Animal production & Health.
3. Description of the project	Agriculture and Livestock farms an important component in the Eastern Province. 100,000 Liters of milk is produced daily and most of which is distributed locally. While farmers find it difficult to market their milk produced daily and most of which is distributed locally. While people are unable to obtain milk products such as Yoghurt, Curd Cheese, Butter, Ghee and Ice cream are a reasonable price when they need it. This has resulted in the milk consumption among the urban population being very low. Further this could be attributed to lack of Equipments, proper storage and facilities. In order to develop liquid milk and value added milk consumption habit among the population it is essential to ensure that liquid milk and value added milk is available through out the year. This will promote the liquid milk and value added milk consumption habit among the local population, which greatly assist in promoting the habit of liquid milk and value added milk consumption of the local population School going children, pregnant and working mothers will greatly benefit from this activity.
4. Approximate cost of the project	Rs. 16 Million
5. Duration of the project	1 phase

Project No: Agr/Liv/32

Establishment of animal feed manufacturing factory in Eastern Province.	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee
2. Implementing Agency	Department of Animal production & Health.
3. Description of the project	Agriculture, Animal husbandry and fisheries are the principal economic activities in the Ampara District. Intensive commercial poultry farming for egg production as well as meat production is one of the principal animal husbandry related economic activities in the Ampara district. Due to the continuous increase in the price of animal feed, these small holder poultry farmers are finding extremely difficult to continue their operation as the Profit margin is narrowing down and thereby being compelled to give up the poultry farming as their livelihood. If this situation continues approximately 1500 – 2000 families will have to lose their major source of income. Thus it has become necessary to find alternative approach to cut down the cost of Animal Feed to keep and maintain the intensive commercial poultry farming as a sustainable livelihood and income generating venture in the district. Ampara district is endowed with raw materials required for the formulation of Compound Poultry Feed such as – maize, Rice bran and broken rice, shell grit, dried fish and fish waste, bone meal and slaughter house animal wastes such as blood, bone etc. and this raw material are available in plenty.
4. Approximate cost of the project	Rs. 25 Million
5. Duration of the project	1 phase

Project No: Agr/Liv/33

Livestock development sales centre	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP Trincomalee
2. Implementing Agency	Department of Animal production & Health.
3. Description of the project	Agriculture and Livestock farms an important component in the Eastern Province. 100,000 Liters of milk is produced daily and most of which is distributed locally. While farmers find it difficult to market their milk produced daily and most of which is distributed locally. While people are unable to obtain milk products such as Yoghurt, Curd Cheese, Butter, Ghee and Ice cream are a reasonable price when they need it. This has resulted in the milk consumption among the urban population being very low. Further this could be attributed to lack of Equipments, proper storage and facilities. In order to develop liquid milk and value added milk consumption habit among the population it is essential to ensure that liquid milk and value added milk is available throughout the year. This will promote the liquid milk and value added milk consumption habit among the local population, which greatly assist in promoting the habit of liquid milk and value added milk consumption of the local population School going children, pregnant and working mothers will greatly benefit from this activity.
4. Approximate cost of the project	Rs. 2.7 Million
5. Duration of the project	1 phase

1.3 FISHERIES

Project No: Agri /Fish/01

Provision of fishing craft	
1. Implementing Ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries-E.P Ministry of Fisheries and Aquaculture Development.
2. Implementing Agency	Ministry of Agriculture, Fisheries Unit Department of Fisheries
3. Description of the project	Eastern province fishermen totally lost their fishing crafts due to the tsunami and civil war and they facing lot of problems to restart their work. Provision of fishing craft is help to restart their fisheries activities.
4. Approximate cost of the project	Rs. 800 Million
5. Duration of the project	4 phases

Project No: Agri /Fish/02

Developing fishing harbor anchorages and landing sites	
1. Implementing Ministry	Ministry of Fisheries and Aquatic Resources Development
2. Implementing Agency	Department of Fisheries
3. Description of the project	Developing fishing harbor anchorages and landing sites will facilitate fishermen fishing activities In this province.
4. Approximate cost of the project	Rs. 3,850 Million
5. Duration of the project	4 phases

Project No: Agri /Fish/03

Pilot studies on beche-de-mer	
1. Implementing Ministry	Ministry of Fisheries and Aquatic Resources Development
2. Implementing Agency	Department of Fisheries
3. Description of the project	Beche -de-mer normally found in eastern province coastal area. But our people don't know about the Beche- de-mer, its value and processing. Pilot studies on Beche-de-mer will help to find out the availability of Beche-de-mer and it's important.
4. Approximate cost of the project	Rs. 10 Million
5. Duration of the project	1 phase

Project No: Agri /Fish/04

Support service for inland fishing	
1. Implementing Ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries-E.P
2. Implementing Agency	Ministry of Agriculture, Fisheries Unit
3. Description of the project	Fishermen are facing several difficulties in getting these services. Such as development of inland fisheries support service will not only reduce the cost of fish production but also these will significantly create an employment opportunities to the unemployed youth.
4. Approximate cost of the project	Rs. 170 Million
5. Duration of the project	5 phases

Project No: Agri /Fish/05

Supporting aquaculture development	
1. Implementing Ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries-E.P
2. Implementing Agency	Ministry of Agriculture, Fisheries Unit
3. Description of the project	Compare to the other province in SriLanka, eastern province inland activities is in infant stage and fishermen adopting to capture based fisheries activities. This will dramatically reduce the fisheries resources including fish stocks. As such supporting aquaculture development through promotion and development of culture and capture based fisheries activities is essential to maintain the sustainability of this activity.
4. Approximate cost of the project	Rs. 45 Million
5. Duration of the project	5 phases

Project No: Agri /Fish/06

Assistance to backyard fish culture	
1. Implementing Ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries-E.P
2. Implementing Agency	Ministry of Agriculture, Fisheries Unit
3. Description of the project	Backyard fish culture will supply the low cost fish protein to farmers and satisfy their family need and their by reduce the malnutrition. It will provide the additional income also. Assistance to contract pond and purchasing of fingerlings is much needed to promote the backyard fish culture.
4. Approximate cost of the project	Rs. 10 Million
5. Duration of the project	5 phases

Project No: Agri /Fish/07

Spawning tank for sea bass	
1. Implementing Ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries-E.P
2. Implementing Agency	Ministry of Agriculture, Fisheries Unit
3. Description of the project	Sea bass culture is one of the popular culture based fisheries activity in this province. However timely availability of required number of fry for sea bass culture is one of the bottlenecks for promotion of sea bass. Artificial propagation of sea bass in spawning tanks will supply required number of sea bass fry for the Eastern province fishermen.
4. Approximate cost of the project	Rs. 15 Million
5. Duration of the project	1 phase

Project No: Agri /Fish/08

Cage culture of lagoon fish	
1. Implementing Ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries-E.P
2. Implementing Agency	Ministry of Agriculture, Fisheries Unit
3. Description of the project	Eastern province surrounded with lagoon, where fishermen adopting traditional methods of fishing this lead to depletion of fish stock and reduce the productivity. In this context this project envisages in promote and develop cage culture of lagoon fish species. Expected impact of this project is one of the possible activities to provide employment for poor fishermen of this province.
4. Approximate cost of the project	Rs. 10 Million
5. Duration of the project	5 phases

Project No: Agri /Fish/09

Re construction of fisheries training centers	
1. Implementing Ministry	Ministry of Fisheries and Aquatic Resources
2. Implementing Agency	Department of Fisheries
3. Description of the project	Fisheries training centers in Eastern province providing training services to fishing community. Access to timely efficient and effective training by the fishermen greatly impacts the profitability of fish farming. However, at present lack of facilities in the training centers greatly restraint the development of fisheries sector. In this regard this project envisages that to reconstruct the fisheries training centers and thereby providing timely efficient and effective training services by the fishermen.
4. Approximate cost of the project	Rs. 85 Million
5. Duration of the project	3 phases

Project No: Agri /Fish/10

Establishment of school fisheries	
1. Implementing Ministry	Ministry of Fisheries and Aquatic Resources Development
2. Implementing Agency	Department of fisheries
3. Description of the project	School of fisheries in Eastern province will provide training services and modern technologies to students and fishing community. Access to timely efficient and effective training will greatly impacts the profitability of fish farming. In this regard this project envisages that to construct the school of fisheries and thereby providing timely efficient and effective services for our fisheries societies and future generation.
4. Approximate cost of the project	Rs. 180 Million
5. Duration of the project	1 phase

Project No: Agri /Fish/11

Capacity building of extension staff	
1. Implementing Ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries-E.P
2. Implementing Agency	Ministry of Agriculture, Fisheries Unit
3. Description of the project	Most of the fisheries activities are conducted at sustainable level with low profit. As such as it is imperative and essential that modern, innovative fisheries and fish production technologies are disseminated at grand root level in order to enhance productivity. This project envisages that capacity building of extension staff in order to disseminate the modern technologies for fishermen.
4. Approximate cost of the project	Rs. 15 Million
5. Duration of the project	5 phases

Project No: Agri /Fish/12

Coastal conservation	
1. Implementing Ministry	Ministry of Fisheries and Aquatic Resources Development
2. Implementing Agency	Coast Conservation Department
3. Description of the project	Eastern province consists of 1/3 of the coastal area of the island. These areas are popular for tourism at present the coastal resources are under increasing pressure from population growth and development, putting a strain on beaches, marine plants and water resources and natural resources. Leading to destruction of corals, depletion of fish stock etc. In this context this project envisage to conserve the coastal resources for future generation while balancing today's competing economic, cultural and environmental interest and increase the provincial GDP through tourism industry and fishing activities.
4. Approximate cost of the project	Rs. 300 Million
5. Duration of the project	5 phases

Project No: Agri /Fish/13

Eco-system development	
1. Implementing Ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries-E.P Ministry of Fisheries and Aquaculture Development Ministry of Environment and natural Resources
2. Implementing Agency	Ministry of Agriculture Fisheries unit Department of Fisheries Environmental Authority
3. Description of the project	Eastern province has diverse coastal environment with a variety of ecosystem. Urbanization and improper planning of development activities leads to destruction of ecosystems. This leads to environmental pollution, reduce productivity, sustainability of the project as well as affect bio diversity. In this context this project envisages to develop the ecosystem and increase the productivity from the ecosystem. And provide additional income to the fishermen who depend on these ecosystems for their livelihood activities.
4. Approximate cost of the project	Rs. 210 Million
5. Duration of the project	5 phases

Project No: Agri /Fish/14

Training on PHT	
1. Implementing Ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries-E.P Ministry of Fisheries and Aquaculture Development
2. Implementing Agency	Ministry of Agriculture fisheries unit Department of fisheries
3. Description of the project	Inadequate knowledge on post harvest technology leading spoilage of fish and fetch low price. And consumers reluctant to purchase these types of fish. Most of the fishermen suffer loss due to spoilage. This project envisages in providing training on modern technologies of post harvest techniques. The expected impact of this project is to reduce the post harvest losses and increase profit.
4. Approximate cost of the project	Rs. 5 Million
5. Duration of the project	5 phases

Project No: Agri /Fish/15

Reducing post harvest losses	
1.Implementing ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries-E.P Ministry of Fisheries and Aquatic Resources Development
2.Implementing agency	Ministry of Agriculture, Fisheries Unit Department of Fisheries
3.Description of the project	Fish is a highly perishable food requiring proper handling, processing and distribution local as well as demand for fish is growing and reduction in post harvest losses can make a contribution to satisfying this demand, improving quality and quantity for consumers and increasing income for the fishermen. In this regard this project envisages that arising the fishermen to adopt techniques to reduce the post harvest losses of fish and fishery products and increase the profitability of the fishermen.
4. Approximate cost of the project	Rs. 440 Million
5. Duration of the project	5 phases

Project No: Agri /Fish/16

Training on diversified fish products	
1. Implementing ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries-E.P Ministry of Fisheries and Aquatic Resources Development
2. Implementing agency	Ministry of Agriculture, Fisheries Unit Department of Fisheries
3. Description of the project	Diversified fish product training will help to prevent fish from spoilage and give more prices for fish. Consumers reluctant to purchase these types of fish. Most of the fishermen suffer lack of knowledge on prepare diversified fish product. This project envisages in providing training on modern technologies of post harvest techniques. The expected impact of this project is to reduce the post harvest losses and increase profit.
4. Approximate cost of the project	Rs. 10 Million
5. Duration of the project	4 phases

Project No: Agri /Fish/17

Establishment of fish processing center	
1. Implementing Ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries-E.P Ministry of Fisheries and Aquatic Resources Development
2. Implementing Agency	Ministry of Agriculture, Fisheries Unit Department of Fisheries
3. Description of the project	Fish processing centers is essential for fish processing activities and it will provide job opportunity for fishermen and women in eastern province.
4. Approximate cost of the project	Rs. 20 Million
5. Duration of the project	1 phase

Project No: Agri /Fish/18

Establishing fish producers co-op societies	
1. Implementing Ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries-E.P Ministry of Fisheries and Aquatic Resources Development Department of Co-operative Development
2. Implementing Agency	Ministry of Agriculture, Fisheries Unit Department of Fisheries Department of Co-operative Development
3. Description of the project	Fish producers Co-op societies being inactive stage by Tsunami and civil war, establishing of Fish producers Co-op societies will help to get benefits to fishermen.
4. Approximate cost of the project	Rs. 10 Million
5. Duration of the project	5 phases

Project No: Agri /Fish/19

Assisting fish marketing	
1. Implementing Ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries-E.P Ministry of Fisheries and Aquatic Resources Development
2. Implementing Agency	Ministry of Agriculture, Fisheries Unit Department of Fisheries
3. Description of the project	To make fish available to consumers at the right time and in the right place requires an effective marketing system. Timely selling of fish greatly reduces spoilage of fish. Establish linkage with the fishermen co-op societies is greatly increasing the profitability by fetching good market price for the fish.
4. Approximate cost of the project	Rs. 100 Million
5. Duration of the project	5 phases

Project No: Agri /Fish/20

Improving facilities in fishing villages	
1. Implementing Ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries- E.P Ministry of Fisheries and Aquatic Resources Development
2. Implementing Agency	Ministry of Agriculture, Fisheries Unit Department of Fisheries
3. Description of the project	Fisheries community living in bank of the water bodies with lack of basic facilities it cause social and health problems to total fisheries community. By improving facilities in this villages will help to improve their living standard.
4. Approximate cost of the project	Rs. 100 Million
5. Duration of the project	5 phases

Project No: Agri /Fish/21

Rehabilitation of war and tsunami affected fishing families	
1. Implementing Ministry	Ministry of Agriculture, Animal Production and Development, Rural Industries Development and Fisheries – E.P Ministry of Fisheries and Aquatic Resources Development
2. Implementing Agency	Ministry of Agriculture, Fisheries Unit Department of Fisheries
3. Description of the project	Fishing families who were affected by war and Tsunami facing lot of problems to achieve their early stage. They are physically and mentally affected by their problems. Rehabilitation project will help to minimize their problems.
4. Approximate cost of the project	Rs. 600 Million
5. Duration of the project	5 phases

1.4 FORESTRY

Project No: Agr/Forest/01

Agro - forestry development with multi - purpose trees	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	The Forest Department
3. Description of the project	Reduce pressure on forests. Increase production of timber, fuel wood and forest products. Enhance land productivity.
4. Approximate cost of the project	Rs. 2.5 Million.

Project No: Agr/Forest/02

Homestead development with multi - purpose trees	
1. Implementing Ministry	Ministry of Agriculture
2. Implementing Agency	The Forest Department
3. Description of the project	Reduce Pressure on forests. Increase multipurpose tree products in Homesteads. Improve Microclimate around homesteads.
4. Approximate cost of the project	Rs. 2.5 Million.

Project No: Agr/Forest /03

Avenue planting with trees	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	The Forest Department
3. Description of the project	Reduce pressure on forests. Enhance Micro climate Promote eco-tourism
4. Approximate cost of the project	Rs. 10 Million.

Project No: Agr/Forest /04

Re - forestation of abandoned chena lands	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	The Forest Department
3. Description of the project	Increase forest cover with high value forest species. Recover lost forest cover.
4. Approximate cost of the project	Rs. 30 Million.

Project No: Agr/Forest /05

Rejuvenating / replanting abandoned teak plantation	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	The Forest Department
3. Description of the project	Increase forest cover with high value forest trees. Increase production of Luxury timber.
4. Approximate cost of the project	Rs. 400 Million.

Project No: Agr/Forest /06

Establishment of forest plantation	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	The Forest Department
3. Description of the project	Increase extent under forest plantation. Enhance timber productivity.
4. Approximate cost of the project	Rs. 500 Million.

Project No: Agr/Forest /07

Establishment of community forests	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	The Forest Department
3. Description of the project	Reduce pressure on forest. Increase extent under forest. Province pasture and fodder for cattle. Increased milk production. Reduce rural poverty.
4. Approximate cost of the project	Rs. 300 Million.

Project No: Agr/Forest /08

Improving riverine forests	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	The Forest Department
3. Description of the project	Protection and conservation of water sheds.
4. Approximate cost of the project	Rs. 2.5 Million.

Project No: Agr/Forest /09

Establishing forest plantation in coastal belts	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	The Forest Department
3. Description of the project	Protect coastal area from stormy weather. Fuel wood supply Recreational purposes, Eco - tourism.
4. Approximate cost of the project	Rs. 10 Million.

Project No: Agr/Forest /10

Re- establishment of mangroves	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	The Forest Department
3. Description of the project	Bio-diversity conservation. Coastal conservation. Breeding ground for shrimps and fishes. Recreation and Eco-tourism.
4. Approximate cost of the project	Rs. 7.5 Million.

Project No: Agr/Forest /11

Establishment of natural parks	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	The Forest Department
3. Description of the project	Recreational facilities for local and foreign tourists, (School. children elders and invalids)
4. Approximate cost of the project	Rs. 60 Million.

Project No: Agr/Forest /12

School and social mobilization programs	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	The Forest Department
3. Description of the project	Stake holder participation strengthened
4. Approximate cost of the project	Rs. 10 Million.

Project No: Agr/Forest /13

Establishment of school of forestry	
1. Implementing Ministry	Ministry of Land, Agriculture, Livestock Development and Fisheries, EP, Trincomalee.
2. Implementing Agency	The Forest Department
3. Description of the project	Job creation in Forestry. Dissemination of knowledge and skill in forestry
4. Approximate cost of the project	Rs. 180 Million

2.0 INFRASTRUCTURE DEVELOPMENT

2.1 ROADS

Project No: Inf/Rd/01

Improve all local roads in Eastern Province - Ampara	
1. Implementing Ministry	Local Government
2. Implementing Agency	Local Authorities
3. Description of the project	All link and local roads in the district of Ampara in Eastern Province of length 2, 000 Km to be made motor able with re-gravelling and compaction to improve the connectivity of rural population of Eastern Province in order to be involved in more production of quality products
4. Cost of project	Rs. 700 Million
5. Duration of the project	2 years

Project No: Inf/Rd/02

Improve all local roads in Eastern Province - Trincomalee	
1. Implementing Ministry	Local Government
2. Implementing Agency	Local Authorities
3. Description of the project	All link and local roads in the district of Trincomalee in Eastern Province of length 2, 000 Km to be made motor able with re-gravelling and compaction to improve the connectivity of rural population of Eastern Province in order to be involved in more production of quality products.
4. Cost of project	Rs. 700 Million
5. Duration of the project	2 years

Project No: Inf/Rd/03

Improve all local roads in Eastern Province - Batticaloa.	
1. Implementing Ministry	Local Government
2. Implementing Agency	Local Authorities
3. Description of the project	All link and local roads in the district of Batticaloa in Eastern Province of length 2, 000 Km to be made motor able with re-gravelling and compaction to improve the connectivity of rural population of Eastern Province in order to be involved in more production of quality products
4. Cost of project	Rs. 700 Million
5. Duration of the project	2 years

Project No: Inf/Rd/04

Improve link rural roads of Eastern Province - Trincomalee	
1. Implementing Ministry	Ministry of local Government.
2. Implementing Agency	Local Authorities
3. Description of the project	Improve the selected link and local roads of 200 Km length (200 in district of Trincomalee) up to sub- base level using suitable sub- base material and to cover with priming in residential areas or SBST for roads carrying heavy volume of traffic.
4. Cost of project	Rs. 2, 200 Million
5. Duration of the project	3 years

Project No: Inf/Rd/05

Improve link rural roads of Eastern Province - Batticaloa	
1. Implementing Ministry	Ministry of local Government.
2. Implementing Agency	Local Authorities
3. Description of the project	Improve the selected link and local roads of 200 Km length (200 in district of Batticaloa) up to sub- base level using suitable sub- base material and to cover with priming in residential areas or SBST for roads carrying heavy volume of traffic.
4. Cost of project	Rs. 2, 200 Million
5. Duration of the project	3 years

Project No: Inf/Rd/06

Improve link rural roads of Eastern Province - Ampara	
1. Implementing Ministry	Ministry of local Government.
2. Implementing Agency	Local Authorities
3. Description of the project	Improve the selected link and local roads of 200 Km length (200 in district of Ampara) up to sub-base level using suitable sub- base material and to cover with priming in residential areas or SBST for roads carrying heavy volume of traffic.
4. Cost of project	Rs. 2, 200 Million
5. Duration of the project	3 years

Project No: Inf/Rd/07

Rehabilitate or reconstruct link roads in Eastern Province - Trincomalee	
1. Implementing Ministry	Ministry of local Government.
2. Implementing Agency	Local Authorities & Eastern Provincial Council
3. Description of the project	Improve the selected link and local roads of 200 Km length (2 Improvement of selected link roads 70 Km with sub base and base with improved surfacing using DBST or Asphalt in Trincomalee district of EP. The DBST or Asphalt surfacing shall be constructed over the primed surface. The ABC base thickness to be decided to suit the volume of traffic on the roads.
4. Cost of project	Rs. 2000 Million
5. Duration of the project	3 years

Project No: Inf/Rd/08

Rehabilitate Or reconstruct link roads in Eastern Province – Batticaloa.	
1. Implementing Ministry	Ministry of local Government.
2. Implementing Agency	Local Authorities & Eastern Provincial Council
3. Description of the project	Improve the selected link and local roads of 200 Km length (2 Improvement of selected link roads 70 Km with sub base and base with improved surfacing using DBST or Asphalt in Batticaloa district of EP. The DBST or Asphalt surfacing shall be constructed over the primed surface. The ABC base thickness to be decided to suit the volume of traffic on the roads.
4. Cost of project	Rs. 2000 Million
5. Duration of the project	3 years

Project No: Inf/Rd/09

Rehabilitate or reconstruct link roads in Eastern Province – Ampara.	
1. Implementing Ministry	Ministry of local Government
2. Implementing Agency	Local Authorities & Eastern Provincial Council
3. Description of the project	Improve the selected link and local roads of 200 Km length (2 Improvement of selected link roads 70 Km with sub base and base with improved surfacing using DBST or Asphalt in Ampara district of EP. The DBST or Asphalt surfacing shall be constructed over the primed surface. The ABC base thickness to be decided to suit the volume of traffic on the roads.
4. Cost of project	Rs. 2000 Million
5. Duration of the project	3 years

Project No: Inf/Rd/10

Develop connectivity across existing water crossing in Ep	
1. Implementing Ministry	Ministry of Provincial Council.
2. Implementing Agency	Eastern Provincial Council
3. Description of the project	Construction of causeway cum bridge across (a) Manmunai (b) Kurukkalmadam - Ampilanthurai (c) Kurumanveli - Mnadoor
4. Cost of project	Rs. 2400 Million
5. Duration of the project	3 years

Project No: Inf/Rd/11

Develop new road in agricultural area of Batticaloa District	
1. Implementing Ministry	Ministry of Provincial Council.
2. Implementing Agency	Eastern Provincial Council
3. Description of the project	Construction of new road about 50km and improvement of 40km existing road in agricultural areas of Batticaloa district in EP from Punanai to Veeramunai.
4. Cost of project	Rs. 2300 Million
5. Duration of the project	2 years

2.2 TRANSPORT

Project No: Inf/Tra/01

Improve road transport system in Eastern Province	
1. Implementing Ministry	Ministry of Transport.
2. Implementing Agency	Eastern Transport Board(Eastern)
3. Description of the project	200 Nos additional buses to strengthen the fleet of Eastern transport board to enable them to provide services on uneconomical bus routes of Eastern Province and to keep a well equipped workshop to put all available 200 nos. buses on roads.
4. Cost of project	Rs. 800 Million
5. Duration of the project	1 year

Project No: Inf/Tra/02

Improve road transport system in Eastern Province	
1. Implementing Ministry	Ministry of Finance.
2. Implementing Agency	Central Bank
3. Description of the project	Soft loan facilities to private transport operators in EP to enhance their fleet with semi luxury buses to ply between cities of other provinces from towns in EP
4. Cost of project	Rs. 250 Million
5. Duration of the project	06 months

Project No: Inf/Tra/03

Improve rail transport system in Eastern Province	
1. Implementing Ministry	Ministry of Transport.
2. Implementing Agency	Railway department
3. Description of the project	Rehabilitation of the tracks from Gal oya to Trincomalee and Batticaloa with concrete sleepers and Rehabilitation all railway stations including refurbishment of coaches.
4. Cost of project	Rs. 3,500 Million
5. Duration of the project	3 years

Project No: Inf/Tra/04

Improve rail transport system in Eastern Province	
1. Implementing Ministry	Ministry of Transport.
2. Implementing Agency	Railway department
3. Description of the project	Extension of railway track from Batticaloa to Potuvil with station facilities in between supported with modern signaling system.
4. Cost of project	Rs. 19.6 Billion
5. Duration of the project	5 years

Project No: Inf/Tra/05

Develop Trincomalee harbour as a commercial port in Eastern region of Sri Lanka	
1. Implementing Ministry	Ministry of Ports Development.
2. Implementing Agency	Ports Authority
3. Description of the project	Development of Trincomalee Harbour as a commercial port with additional suitable berth with draught of 15 meters with Gantry cranes to handle cargo & container cargo and provide bunkering facility with water supply to vessels navigating in Indian Ocean.
4. Cost of project	Rs. 350 Million US \$.
5. Duration of the project	04 years

Project No: Inf/Tra/06

Develop Trincomalee harbor as a commercial hub	
1. Implementing Ministry	Ministry of Ports Development.
2. Implementing Agency	Ports Authority
3. Description of the project	Development of Trincomalee Harbor as a commercial hub in Indian Ocean with additional berth of 1 meter draught wills dry dock facility to repair ships & transshipment to facilitate shipping liners.
4. Cost of project	Rs. 400 Million US \$.
5. Duration of the project	04 years

Project No: Inf/Tra/07

Improve the domestic airports in Eastern Province	
1. Implementing Ministry	Ministry of Aviation.
2. Implementing Agency	Aviation Authority of Sri Lanka
3. Description of the project	Rehabilitation of runway, taxiway and terminals of Trincomalee, Batticaloa and Ampara airports in order to open for internal flights in Sri Lanka.
4. Cost of project	Rs. 1500 Million
5. Duration of the project	03 Years

2.3 IRRIGATION

Project No: Inf/Irr/01

Improve water management techniques in Eastern Province - Trincomalee	
1. Implementing Ministry	Ministry of Irrigation.
2. Implementing Agency	Department of Irrigation and Eastern Provincial Council
3. Description of the project	Minimizing wastage of water with effective and efficient usage for irrigation purpose with awareness creation and adequate training for all involved in Irrigation for crop cultivation in Trincomalee district in Eastern Province.
4. Cost of project	Rs. 300 Million
5. Duration of the project	2 years

Project No: Inf/Irr/02

Improve water management techniques in Eastern Province - Batticaloa	
1. Implementing Ministry	Ministry of Irrigation.
2. Implementing Agency	Department of Irrigation and Eastern Provincial Council
3. Description of the project	Minimizing wastage of water with effective and efficient usage for irrigation purpose with awareness creation and adequate training for all involved in Irrigation for crop cultivation in Batticaloa district in Eastern Province.
4. Cost of project	Rs. 300 Million
5. Duration of the project	2 years

Project No: Inf/Irr/03

Improve water management techniques in Eastern Province - Ampara	
1. Implementing Ministry	Ministry of Irrigation.
2. Implementing Agency	Department of Irrigation and Eastern Provincial Council
3. Description of the project	Minimizing wastage of water with effective and efficient usage for irrigation purpose with awareness creation and adequate training for all involved in Irrigation for crop cultivation in Ampara district in Eastern Province.
4. Cost of project	Rs. 300 Million
5. Duration of the project	2 years

Project No: Inf/Irr/04

Rehabilitate and reconstruct minor tanks in Eastern Province - Trincomalee	
1. Implementing Ministry	Ministry of Irrigation.
2. Implementing Agency	Department of Irrigation and Eastern Provincial Council
3. Description of the project	Rehabilitation and Reconstruction of 200 nos. breached and abandoned minor tanks in the district of Trincomalee in Eastern Province with head works, downstream structures in order to irrigate the command area and it provide water for animals for all seasons.
4. Cost of project	Rs. 1,000 Million
5. Duration of the project	3 years

Project No: Inf/Irr/05

Rehabilitate and reconstruct minor tanks in Eastern Province - Batticaloa	
1. Implementing Ministry	Ministry of Irrigation.
2. Implementing Agency	Department of Irrigation and Eastern Provincial Council
3. Description of the project	Rehabilitation and Reconstruction of 200 nos. breached and abandoned minor tanks in the district of Batticaloa in Eastern Province with head works, downstream structures in order to irrigate the command area and it provide water for animals for all seasons.
4. Cost of project	Rs. 1,000 Million
5. Duration of the project	3 years

Project No: Inf/Irr/06

Rehabilitate and reconstruct of minor tanks in Eastern Province - Ampara	
1. Implementing Ministry	Ministry of Irrigation.
2. Implementing Agency	Department of Irrigation and Eastern Provincial Council
3. Description of the project	Rehabilitation and Reconstruction of 200 nos. breached and abandoned minor tanks in the district of Ampara in Eastern Province with head works, downstream structures in order to irrigate the command area and it provide water for animals for all seasons.
4. Cost of project	Rs. 1,000 Million
5. Duration of the project	3 years

Project No: Inf/Irr/07

Rehabilitate and reconstruct salt water exclusion structures in Eastern Province	
1. Implementing Ministry	Ministry of Irrigation.
2. Implementing Agency	Department of Irrigation and Eastern Provincial Council
3. Description of the project	Rehabilitation and Reconstruction of Salt water exclusion structures along the coast from Batticaloa to Kalmunnai in order to preserve the fertile land from intrusion of salinity.
4. Cost of project	Rs. 1,200 Million
5. Duration of the project	2 years

Project No: Inf/Irr/08

Develop lift irrigation schemes in Eastern Province - Ampara	
1. Implementing Ministry	Ministry of Irrigation.
2. Implementing Agency	Department of Irrigation and Eastern Provincial Council
3. Description of the project	Lift irrigation schemes to bring high land area under cultivation in existing Irrigation schemes of Ampara district in Eastern Province. Pumping is facilitated using the available wind potential in Eastern Province using wind mills.
4. Approximate Project cost	Rs. 100 Million
5. Duration of the project	2 years

Project No: Inf/Irr/09

Develop lift irrigation schemes in Eastern Province - Batticaloa	
1. Implementing Ministry	Ministry of Irrigation.
2. Implementing Agency	Department of Irrigation and Eastern Provincial Council
3. Description of the project	Lift irrigation schemes to bring high land area under cultivation in existing Irrigation schemes of Batticaloa district in Eastern Province. Pumping is facilitated using the available wind potential in Eastern Province using wind mills.
4. Approximate Project cost	Rs. 100 Million
5. Duration of the project	2 years

Project No: Inf/Irr/10

Develop lift irrigation schemes in Eastern Province - Trincomalee	
1. Implementing Ministry	Ministry of Irrigation.
2. Implementing Agency	Department of Irrigation and Eastern Provincial Council
3. Description of the project	Lift irrigation schemes to bring high land area under cultivation in existing Irrigation schemes of Ampara district in Eastern Province. Pumping is facilitated using the available wind potential in Eastern Province using wind mills.
4. Approximate Project cost	Rs. 100 Million
5. Duration of the project	2 years

Project No: Inf/Irr/11

Improve head works and downstream structures of existing schemes in Eastern Province - Trincomalee	
1. Implementing Ministry	Ministry of Irrigation.
2. Implementing Agency	Department of Irrigation and Eastern Provincial Council
3. Description of the project	Improvement of Head works and downstream Structures of 16 Nos major and medium schemes in the district of Trincomalee in Eastern Province in order to increase the cropping intensity from Average of 1.25 to 1.50.
4. Approximate Project cost	Rs. 1,300 Million
5. Duration of the project	3 years

Project No: Inf/Irr/12

Improve head works and downstream structures of existing schemes in Eastern Province - Batticaloa	
1. Implementing Ministry	Ministry of Irrigation.
2. Implementing Agency	Department of Irrigation and Eastern Provincial Council
3. Description of the project	Improvement of Head works and downstream Structures of 12 Nos major and medium schemes in the district of Batticaloa in Eastern Province in order to increase the cropping intensity from Average of 1.25 to 1.50.
4. Approximate Project cost	Rs. 2,000 Million
5. Duration of the project	3 years

Project No: Inf/Irr/13

Improve head works and downstream structures of existing schemes in Eastern Province - Ampara	
1. Implementing Ministry	Ministry of Irrigation.
2. Implementing Agency	Department of Irrigation and Eastern Provincial Council
3. Description of the project	Improvement of Head works and downstream Structures of 10 Nos major and medium schemes in the district of Ampara in Eastern Province in order to increase the cropping intensity from Average of 1.25 to 1.50
4. Approximate Project cost	Rs. 2,200 Million
5. Duration of the project	3 years

Project No: Inf/Irr/14

Construction of new tanks in potential areas of EP	
1. Implementing Ministry	Ministry of Irrigation.
2. Implementing Agency	Department of Irrigation.
3. Description of the project	Construction of Peraru reservoir in Kuchchaveli area Trincomalee to cultivate 3000 Ac and construction of Konesar reservoir to irrigate 1000 Ac in Nilaweli area (These schemes also share water for water supply in these aea).
4. Approximate Project cost	Peraru reservoir -Rs. 2, 000 Million Koneasr reservoir - Rs. 1, 000 Million
5. Duration of the project	2 years

Project No: Inf/Irr/15

Improve drainage schemes as water reservior	
1. Implementing Ministry	Ministry of Irrigation.
2. Implementing Agency	Department of Irrigation
3. Description of the project	Improvement for Thampalagamam drainage channel & Soorankal drainage channel in EP to connect it as water resource.
4. Approximate Project cost	Rs. 250 Million
5. Duration of the project	2 years

2.4 WATER SUPPLY

Project No: Inf/WS/01

Improve existing water supply schemes in Eastern Province	
1. Implementing Ministry	Ministry of Water Supply.
2. Implementing Agency	National Water Supply and Drainage Board.
3. Description of the project	Replacement of weak supply lines and arresting all leakages and stopping all non revenue supply connections with the existing schemes in Eastern Province.
4. Approximate Project cost	Rs. 250 Million
5. Duration of the project	2 years

Project No: Inf/WS/02

Develop water supply schemes for Batticaloa District	
1. Implementing Ministry	Ministry of Water Supply.
2. Implementing Agency	National Water Supply and Drainage Board.
3. Description of the project	Northern part of Batticaloa district using perennial rivers of Verugal Aru, Vaharai to Vaiachenai with tourism potential areas.
4. Approximate Project cost	Rs. 2,500 Million
5. Duration of the project	2 years

Project No: Inf/WS/03

Develop water supply schemes for Trincomalee District	
1. Implementing Ministry	Ministry of Water Supply.
2. Implementing Agency	National Water Supply and Drainage Board.
3. Description of the project	Water Supply Schemes for Trincomalee district using perennial river, Mahaveli, as source of supply. The water supply schemes will cover the tourism potential areas of the district while serving the domestic need.
4. Approximate Project cost	Rs. 2,500 Million
5. Duration of the project	2 years

Project No: Inf/WS/04

Develop minor water supply schemes using ground water from wells in Eastern Province - Trincomalee	
1. Implementing Ministry	Ministry of Local Government.
2. Implementing Agency	Local Authorities, National Water Supply and Drainage Board
3. Description of the project	Construction of common open or tube well minimum of 300 nos. in Trincomalee district for resettled population.
4. Approximate Project cost	Rs. 90 Million
5. Duration of the project	2 years

Project No: Inf/WS/05

Develop minor water supply schemes using ground water from wells in Eastern Province - Batticaloa.	
1. Implementing Ministry	Ministry of Local Government.
2. Implementing Agency	Local Authorities, National Water Supply and Drainage Board
3. Description of the project	Construction of common open or tube well minimum of 300 nos. in Batticaloa district for resettled population.
4. Approximate Project cost	Rs. 90 Million
5. Duration of the project	2 years

Project No: Inf/WS/06

Develop minor water supply schemes using ground water from wells in Eastern Province Ampara	
1. Implementing Ministry	Ministry of Local Government.
2. Implementing Agency	Local Authorities, National Water Supply and Drainage Board
3. Description of the project	Construction of common open or tube well minimum of 300 nos. in Ampara district for resettled population.
4. Approximate Project cost	Rs. 90 Million
5. Duration of the project	2 years

Project No: Inf/WS/07

Develop rural water supply schemes in coastal areas of Eastern Province –Trincomalee	
1. Implementing Ministry	Ministry of Water Supply
2. Implementing Agency	National Water Supply and Drainage Board & Local Authority
3. Description of the project	10 nos. development of rural water supply (pumping Scheme) for rural population where available ground water is not acceptable for consumption in Trincomalee district
4. Approximate Project cost	Rs. 500 Million
5. Duration of the project	2 years

Project No: Inf/WS/08

Develop rural water supply schemes in coastal areas of Eastern Province – Batticaloa.	
1. Implementing Ministry	Ministry of Water Supply.
2. Implementing Agency	National Water Supply and Drainage Board & Local Authority.
3. Description of the project	10 nos. development of rural water supply (pumping Scheme) for rural population where available ground water is not acceptable for consumption in Batticaloa district.
4. Approximate Project cost	Rs. 500 Million
5. Duration of the project	2 years

Project No: Inf/WS/09

Develop rural water supply schemes in coastal areas of Eastern Province – Ampara.	
1. Implementing Ministry	Ministry of Water Supply.
2. Implementing Agency	National Water Supply and Drainage Board & Local Authority.
3. Description of the project	10 nos. development of rural water supply (pumping Scheme) for rural population where available ground water is not acceptable for consumption in Ampara district
4. Approximate Project cost	Rs. 500 Million
5. Duration of the project	2 years

2.5 SANITATION

Project No: Inf/Sa/01

Improve excreta system in rural areas of Eastern Province – Trincomalee.	
1. Implementing Ministry	Ministry of Health.
2. Implementing Agency	Health Department and Eastern Provincial Council.
3. Description of the project	Constriction of 8, 000 low cost toilet (water sealed) units where enclosure component from beneficiaries as per their capacity in three districts of Trincomalee specially for new resettled families in Eastern Province.
4. Approximate Project cost	Rs. 200 Million
5. Duration of the project	2 years

Project No: Inf/Sa/02

Improve excreta system in rural areas of Eastern Province – Batticaloa.	
1. Implementing Ministry	Ministry of Health.
2. Implementing Agency	Health Department and Eastern Provincial Council.
3. Description of the project	Constriction of 9, 000 low cost toilet (water sealed) units where enclosure component from beneficiaries as per their capacity in three districts of Batticaloa specially for new resettled families in Eastern Province.
4. Approximate Project cost	Rs. 225 Million
5. Duration of the project	2 years

Project No: Inf/Sa/03

Improve excreta system in rural areas of Eastern Province – Ampara	
1. Implementing Ministry	Ministry of Health.
2. Implementing Agency	Health Department and Eastern Provincial Council.
3. Description of the project	Constriction of 3, 000 low cost toilet (water sealed) units where enclosure component from beneficiaries as per their capacity in three districts of Ampara specially for new resettled families in Eastern Province.
4. Approximate Project cost	Rs. 75 Million
5. Duration of the project	2 years

2.6 ELECTRICITY

Project No: Inf/El/01

Augmentation and improvement of system in eastern province to minimize losses	
1. Implementing Ministry	Ministry of Power.
2. Implementing Agency.	Ceylon Electricity Board and Eastern Provincial Council.
3. Description of the project	Augmentation of system in Eastern Province to minimize the losses in Transmission and distribution by 13% and to increase revenue turn over by minimum of 15%.
4. Approximate Project cost.	Rs. 1,500 Million
5. Duration of the project	2 years

Project No: Inf/El/02

Generation of power in Eastern Province using dentro power plants - Trincomalee	
1. Implementing Ministry	Ministry of Power.
2. Implementing Agency.	Local Authorities, 1. Ceylon Electricity Board. 2. Eastern Provincial Council
3. Description of the project	03 nos. 10MW Dentro power plant introduction in Eastern Province in all three districts in rural areas of capacity not less than 10MW using Gluceridia fuel wood in Trincomalee district.
4. Approximate Project cost.	Rs. 600 Million
5. Duration of the project	2 years

Project No: Inf/El/03

Generation of power in eastern province using dentro power plants - Batticaloa	
1. Implementing Ministry	Ministry of Power.
2. Implementing Agency.	Local Authorities, 1. Ceylon Electricity Board. 2. Eastern Provincial Council
3. Description of the project	03 nos. 10MW Dentro power plant introduction in Eastern Province in all three districts in rural areas of capacity not less than 10MW using Gluceridia fuel wood in Batticaloa district.
4. Approximate Project cost.	Rs. 600 Million
5. Duration of the project	2 years

Project No: Inf/El/04

Generation of power in eastern province using dentro power plants - Ampara	
1. Implementing Ministry	Ministry of Power.
2. Implementing Agency.	Local Authorities, 1. Ceylon Electricity Board. 2. Eastern Provincial Council
3. Description of the project	04 nos. 10MW Dentro power plant introduction in Eastern Province in all three districts in rural areas of capacity not less than 10MW using Gluceridia fuel wood in Ampara district.
4. Approximate Project cost.	Rs. 800 Million
5. Duration of the project	2 years

Project No: Inf/El/05

Generation of power in eastern province using wind mills -Trincomalee	
1. Implementing Ministry	Ministry of Power.
2. Implementing Agency.	Ceylon Electricity Board and Local Authorities
3. Description of the project	03 Nos 05 MW wind turbine with wind mill farm in wind favorable areas of Trincomalee district in Eastern Province along coastal areas and system losses to be brought down to minimum to have uninterrupted power supply.
4. Approximate Project cost.	Rs. 400 Million
5. Duration of the project	2 years

Project No: Inf/El/06

Generation of power in eastern province using wind mills - Batticaloa.	
1. Implementing Ministry	Ministry of Power.
2. Implementing Agency.	Ceylon Electricity Board and Local Authorities
3. Description of the project	03 Nos 05 MW wind turbine with wind mill farm in wind favorable areas of Batticaloa district in Eastern Province along coastal areas and system losses to be brought down to minimum to have uninterrupted power supply.
4. Approximate Project cost.	Rs. 540 Million
5. Duration of the project	2 years

Project No: Inf/El/07

Generation of power in eastern province using wind mills – Ampara.	
1. Implementing Ministry	Ministry of Power.
2. Implementing Agency.	Ceylon Electricity Board and Local Authorities
3. Description of the project	03 Nos 05 MW wind turbine with wind mill farm in wind favorable areas of Ampara district in Eastern Province along coastal areas and system losses to be brought down to minimum to have uninterrupted power supply.
4. Approximate Project cost.	Rs. 540 Million
5. Duration of the project	2 years

2.7 TELECOMMUNICATION

Project No: Inf/Tel/01

Develop Telecommunication Networks in Rural Areas of Eastern Province.	
1. Implementing Ministry	Ministry of Telecommunication.
2. Implementing Agency	Private Sector operators and Telecommunication Regulatory Commission.
3. Description of the project	Development by extending modern telecommunication facilities like E-mail, internet and broad band to Rural Areas of Eastern Province as approved by telecommunication regulatory commission.
4. Approximate Project cost	Rs. 30 Million (private sector)
5. Duration of the project	3 years

2.8 HOUSING

Project No: Inf/Hou/01

Construct houses for poor and re-settlers of Eastern Province.	
1. Implementing Ministry	Ministry of Housing.
2. Implementing Agency	Eastern Provincial Council and NHDA.
3. Description of the project	Construction of 157, 000 core houses for the poor and resettled families in Eastern Province in all three districts at a cost of 500, 000/= each house.
4. Approximate Project cost	Rs. 78,500 Million
5. Duration of the project	3 years

2.9 POSTAL SERVICE

Project No: Inf/Pos/01

Develop postal services in Eastern Province.	
1. Implementing Ministry	Ministry of Posts.
2. Implementing Agency	Postal Department.
3. Description of the project	Establishing post offices in Eastern Province with all modern facilities as telephone and other communication facilities to serve all villages of Eastern Province.
4. Approximate Project cost	Rs. 200 Million
5. Duration of the project	02 Years

2.10 URBAN DEVELOPMENT

Project No: Inf/Urb/01

Urban Development In Eastern Province.	
1. Implementing Ministry	Ministry of Nation Building.
2. Implementing Agency	U.D.A and Eastern Provincial Council
3. Description of the project	Develop the potential areas as satellite townships in Trincomalee Batticaloa and Ampara districts to create urban centers to care and cater for the need of adjoining villages and service them. The identified areas are Pulmoddai, Kantale, Thampalagamam, Kinniya, Mutur & Kuchaveli in Trincomalee district Kattankudy, Eravur Chengalady, Valaichenai Kaluvanjikudi, Vahara, Kiran & Vellaveli in Batticaloa district and Kalmunai, Ammanthurai, Oluvil, Ninthavur, Pothuvil, Thirukovil, Mahaoya & Dehiwathakandiya in Ampara district.
4. Approximate Project cost	Rs. 500 Million
5. Duration of the project	5 years

3.0 INDUSTRIAL DEVELOPMENT

3.1 INDUSTRY

Project No: Ind/In/01

Establishment of new industries at micro level (Estimated number – 2200 micro level production units)	
1. Implementing Ministry	Ministry of Rural Industries Development Ministry of Cooperative Development
2. Implementing Agency	Department of Rural industries Development Department of Cooperative Development
3. Description of the project	The project is to commence 2200 micro level production/ service units on an average of 730 units each in the three districts of Ampara, Batticaloa, and Trincomalee. Beneficiaries are selected and given the required training. Each has to prepare a business plan for their business and loans to be provided through the proposed Livelihood Credit Management Service @ Rs. 50,000 per project unit. The production units to be set up based on the needs, resources available and the market opportunities. A possible list of production units is annexed.
4. Approximate Project cost	Ampara 730 @ SLR Rs.50,000 - Rs.36.5 Million Batticaloa 730 @SLR Rs. 50,000 - Rs. 36.5 Million Trincomalee 730 @SLR Rs. 50,000 - Rs. 36.5 Million
5. Duration of the project	5 years

Project No: Ind/In/02

Establishment of new industries at small & medium level:- (Estimated number – 1300 small level production units)	
1. Implementing Ministry	Ministry of Rural Industries Development Ministry of Cooperative Development
2. Implementing Agency	Department of Rural industries Development Department of Cooperative Development
3. Description of the project	The project is to commence 1300 small & medium level production or services units in the three districts of Ampara, Batticaloa, Trincomalee. Needed training (managerial and technical) will be provided and business plan has to be prepared for each project. The lists of possible projects are annexed.
4. Approximate Project cost	Ampara -137.1 Million (428 ideas) Batticaloa -137.1 Million (428 Ideas) Trincomalee -137.1 Million (428 Ideas)
5. Duration of the project	5 years

Project No: Ind/In/03

Establishment of new industries at larger level	
1. Implementing Ministry	Ministry of Rural Industries Development Ministry of Cooperative Development
2. Implementing Agency	Department of Rural industries Development Department of Cooperative Development
3. Description of the project	The project is to establish 121 large scale industries in the three districts. The managerial, technical training will be produced. A business plan has to be prepared for each project and the feasibility study has to be carried out.
4. Approximate Project cost	Rs.2343 Million
5. Duration of the project	04 years

Project No: Ind/In/04

Expansion of existing industries (Micro, Small & Medium)	
1. Implementing Ministry	Ministry of Industries.
2. Implementing Agency	Department of Industries.
3. Description of the project	Industries which have potential for expansion will prepare a business plan and viability tested. It has been proposed to expand 700 micro & 425 small & medium industries The industries in the micro & small level list will go for expansion. Similarly industries in the medium level list will go for expansion.
4. Approximate Project cost	Micro 700 @ Rs.5 Million = Rs.3, 500 Million Small & Medium 425 @ Rs. 10 Million = Rs.4, 250 Million
5. Duration of the project	5 years

Project No: Ind/In/05

Renewal of closed industries															
1. Implementing Ministry	Ministry of Industries.														
2. Implementing Agency	Department of Industries.														
3. Description of the project	<p>In the three districts of eastern province, there are some industries that are either closed down or functioning below capacity.</p> <ol style="list-style-type: none"> 1. Tile factory in Mandur – damaged 2. Tile factory in Irakkamam – closed 3. Paper factory at Valachenai – functioning below capacity 4. Rice mills(6) of MPCS – closed 5. Salterns at Nilaveli – closed 6. Saltern at Panama – closed 7. Salterns at Kurunchatheeviu – closed <p>These factories should be renewed and put in to normal production with private sectors participation</p>														
4. Approximate Project cost	<table style="width: 100%; border: none;"> <tr> <td style="width: 80%;">Tile factory in Mandur</td> <td style="text-align: right;">- 60 Million</td> </tr> <tr> <td>Tile factory in Irakkamam</td> <td style="text-align: right;">- 50 Million</td> </tr> <tr> <td>Paper factory at Valachenai</td> <td style="text-align: right;">- 100 Million</td> </tr> <tr> <td>Rice mills (6) of MPCS</td> <td style="text-align: right;">- 60 Million</td> </tr> <tr> <td>Salterns at Nilaveli</td> <td style="text-align: right;">- 100 Million</td> </tr> <tr> <td>Saltern at Panama</td> <td style="text-align: right;">- 50 Million</td> </tr> <tr> <td>Salterns at Kurunchatheeviu</td> <td style="text-align: right;">- 60 Million</td> </tr> </table>	Tile factory in Mandur	- 60 Million	Tile factory in Irakkamam	- 50 Million	Paper factory at Valachenai	- 100 Million	Rice mills (6) of MPCS	- 60 Million	Salterns at Nilaveli	- 100 Million	Saltern at Panama	- 50 Million	Salterns at Kurunchatheeviu	- 60 Million

2. Implementing Agency	Provincial Department of Sports, Eastern Province
3. Description of the project	Construction of an indoor stadium with modern facilities.
4. Approximate Project cost	Rs. 100 Million
5. Duration of the project	3 years

Project No: Hum/Spo/08

Sports equipment to all the sports clubs	
1. Implementing Ministry	Ministry of Health, Indigenous Medicine and Social Services
2. Implementing Agency	Provincial Department of Sports, Eastern Province
3. Description of the project	Provision of sports equipment to all the sports clubs. This project aims to provide facilities to encourage all the youth to participate in sports activities.
4. Approximate Project cost	Rs. 20 Million
5. Duration of the project	2 years

4.6 CULTURE

Project No: Hum/Cul/01

Galleries and theatres in the Districts	
1. Implementing Ministry	Ministry of Education, Cultural Affairs, Land, Land Development & Transport.
2. Implementing Agency	Cultural Unit, Eastern Province
3. Description of the project	Construction of galleries and theatres in the three districts – Trincomalee, Batticaloa and Ampara.
4. Approximate Project cost	Rs. 200 Million
5. Duration of the project	3 years

Project No: Hum/Cul/02

Exhibition halls in three Districts	
1. Implementing Ministry	Ministry of Education, Cultural Affairs, Land, Land Development & Transport.
2. Implementing Agency	Cultural Unit, Eastern Province
3. Description of the project	Construction of exhibition halls in the three districts – Trincomalee, Batticaloa and Ampara
4. Approximate Project cost	Rs. 150 Million
5. Duration of the project	3 years

Project No: Hum/Cul/03

Cultural fund for promoting folk art, research, exhibitions	
1. Implementing Ministry	Ministry of Education, Cultural Affairs, Land, Land Development & Transport.
2. Implementing Agency	Cultural Unit, Eastern Province
3. Description of the project	Cultural fund for promoting folk art, research, exhibitions – Trincomalee, Batticaloa and Ampara
4. Approximate Project cost	Rs. 50 Million
5. Duration of the project	5 years

4.7 GENDER

Project No: Hum/Gen/01

Establishment of an information centre for migrant workers	
1. Implementing Ministry	Ministry of Health, Indigenous Medicine and Social Services
2. Implementing Agency	Department of Social Services
3. Description of the project	An Information Centre will be established for migrant workers. This centre will provide information of all registered foreign employment agencies, employment opportunities for migrant workers, registered institutes which provides training, banking information, services provided by other government organizations, information of relevant Sri Lankan embassies/high commissions, emergency contact numbers etc.
4. Approximate Project cost	Rs. 50 Million
5. Duration of the project	5 years

Project No: Hum/Gen/02

Establishment of training institute for foreign employment of women	
1. Implementing Ministry	Ministry of Health, Indigenous Medicine and Social Services
2. Implementing Agency	Department of Social Services
3. Description of the project	Training Institute will be established to provide a range of vocational training for foreign employment. It will include housekeeping, cookery, tailoring etc.
4. Approximate Project cost	Rs. 80 Million
5. Duration of the project	4 years

Project No: Hum/Gen/03

Establishment of creches and day care centres in strategic locations	
1. Implementing Ministry	Ministry of Health, Indigenous Medicine and Social Services
2. Implementing Agency	Department of Social Services
3. Description of the project	Establishing Creches and day care centres in strategic locations (in all three districts) where more young mothers are chief income earners or head of households.
4. Approximate Project cost	Rs. 100 Million
5. Duration of the project	5 years

Project No: Hum/Gen/04

Gender sensitivity training for all government officials and elected representatives in the local bodies	
1. Implementing Ministry	Ministry of Health, Indigenous Medicine and Social Services
2. Implementing Agency	Department of Social Services
3. Description of the project	Awareness programs will be conducted for all government officials and elected representatives on the need for providing the space for women's representation in all decision making bodies at grass root level and above.
4. Approximate Project cost	Rs. 25 Million
5. Duration of the project	5 years

Project No: Hum/Gen/05

Establishment of career guidance centres	
1. Implementing Ministry	Ministry of Health, Indigenous Medicine and Social Services
2. Implementing Agency	Department of Social Services
3. Description of the project	Establishing Career guidance centres in all three districts to provide assistance and support to women of all ages. The centre will be equipped with information materials ranging from self-employment to training, education and employment opportunities which will help the women to choose an area which will help them to be engaged economically. It will also focus on developing initiatives that provide mentorship to women through partnerships with successful business women and women leaders.
4. Approximate Project cost	Rs. 35 Million
5. Duration of the project	5 years

5.4 PROVINCIAL GOVERNANCE

Project No: PrG/Gov/01

Backward area mapping	
1. Implementing Ministry	Chief Secretary's Secretariat
2. Implementing Agency	Provincial Planning Secretariat in partnership with Centre for Information Resource Management
3. Description of the project	<p>The Chief secretary appoints a team of officials drawn from PPS and CIRM under the leadership of DCS (Planning). The Team reviews the village data sheets and the methodology employed for data collection, data entry and data analysis in the preparation of Vulnerability Poverty Profiles available with CIRM. As there were several questions related to then existing conflict situation in the data sheets used for the original survey and the survey was for a limited purpose, the questionnaire needs revision.</p> <p>The proposed village profiling would involve questionnaire preparation, testing of questionnaire in the field, training of data collectors on filling of the questionnaires, developing methodology for data analyses and ranking/coding of villages according to their poverty levels. The results of such coding can be then incorporated into maps.</p>
4. Approximate Project cost	Rs. 10.0 Million
5. Duration of the project	1 year

Project No: PrG/Gov/02

Development of a participatory community development approach/model	
1. Implementing Ministry	Chief Secretary's Secretariat
2. Implementing Agency	PPS with the assistance of CIRM
3. Description of the project	<p>The Chief Secretary will appoint a team of officials drawn from PPS and CIRM. The Team will develop the methodology/conceptual framework required to evaluate and compare the various participatory rural/community development models based on their experience and literature related to such models that are being implemented in the country. The team will also collect data related to participatory development models that are being implemented in the province.</p> <p>Based on the conceptual framework developed by the team, best practices will be identified and documented. Special emphasis will be placed on how the aspects such as social integration,</p>

	<p>poverty alleviation and empowerment of the poor and improvement of service delivery mechanisms are embedded in the models. The evaluation of best practices with the participation of relevant donors and local agencies will result in the appropriate participatory development model/s.</p> <p>The team will develop training modules to train the relevant staff in sectoral agencies and local authorities and train them on the new model.</p>
4. Approximate Project cost	Rs. 20.0 Million
5. Duration of the project	2 year

Project No: PrG/Gov/03

Unified local level planning	
1. Implementing Ministry	Chief Secretary's Secretariat
2. Implementing Agency	PPS with the assistance of CIRM
3. Description of the project	<p>The team appointed by the Chief Secretary to develop an appropriate participatory model will re-convene the integrated planning process again while developing the participatory model with the participation of the divisional Planning Task Force (PTF).</p> <p>The team and the PTF will jointly ascertain the differences in the participatory approaches before and after the introduction of the new LA area development model and review the planning process and revise the plan already developed.</p> <p>The team and the PTF will monitor the progress for one year and revise the guidelines issued on ILDP.</p> <p>Rank the Divisions according to the VPP developed previously and selects about 15 divisions for implementation of ILDP in each subsequent year. Develop training modules to train the relevant divisional level officials and train them.</p> <p>The team will be in constant touch with PTFs in divisions in order to monitor the process as well as the progress of implementation.</p>
4. Approximate Project cost	Rs. 25.0 Million
5. Duration of the project	5 years

Project No: PrG/Gov/04

Improvement of performance of organizations and individuals	
1. Implementing Ministry	Chief Secretary's Secretariat
2. Implementing Agency	MDTD and CIRM
3. Description of the project	<p>MDTD will prepare the methodology and guidelines in consultation with CIRM who has expertise in process facilitation.</p> <p>Chief Secretary will instruct the Secretaries of Ministries and Heads of Departments and Chairmen of Local Authorities to establish management development cells in each of those organizations.</p> <p>MDTD with the participation of experts in CIRM will discuss the methodology and guidelines with the members of Management Development Cells (MDC) and develop indicators to monitor the process and outputs of each stage and adopt the methodology and guidelines.</p> <p>MDCs will prepare performance improvement plans and implement such plans.</p>
4. Approximate Project cost	Rs. 50.0 Million
5. Duration of the project	3 years

Project No: PrG/Gov/05

Establishment of a training centre for local government	
1. Implementing Ministry	Chief Secretary's Secretariat
2. Implementing Agency	Provincial Department of Local Government
3. Description of the project	<p>The Provincial Department of Local Government (PDLG) will prepare architectural designs for the Centre to be constructed to house the following and implement the project.</p> <ul style="list-style-type: none"> ➤ Administrative Office ➤ 3 Lecture/class rooms ➤ Hostel to provide accommodation for 30 people ➤ Computer Lab with 30 computers and accessories ➤ Library/learning resource centre <p>The Centre will be located in Punanai East GN Division in the Korale Pattu North Div. Sect Division of the Batticaloa district in a land of 6 hectares in extent. The selected site is central to all three districts in the Province. The staff required to manage the Centre and also to function as the core team of resource persons will not be more than five and additional resource persons will be hired from the expertise available within the system. The core team of resource persons will develop the training</p>

	programmes and modules/curricula and the training calendar in consultation with MDTD and CIRM
4. Approximate Project cost	Rs. 100.0 Million
5. Duration of the project	5 years

Project No: PrG/Gov/06

Peace building through promotion of bi-lingualism	
1. Implementing Ministry	Chief Secretary's Secretariat
2. Implementing Agency	Provincial Department of Local Government and respective Local Authorities in collaboration with the Provincial Department of Education (PDE)
3. Description of the project	<p>The project is to be implemented in 7 selected Grama Niladhari Divisions in the districts of Trincomalee District (Mollipothana North in Tambalagamuwa DS Division, Serunuwara in Seruwila DS Division and Peraru West in Kantale DS Division), Batticaloa (Ervaupattu DS Division) and Amapara District (Lahugala, Irrakkamum and Addalachchaniai DS Divisions) where significant numbers of Sinhala speaking and Tamil speaking families live together. It is envisaged to promote Bi-lingualism among pre-school children by providing opportunities to learn the two languages (Tamil and Sinhala) through activity based learning.</p> <p>The project aims to establish Seven Early Childhood Development Centres (ECD), one in each selected GN Division, for Early Childhood Development with twenty (20) children in the age group of 3-5 years, in each Centre. The seven Centres will be located in places in which the three communities live.</p> <p>The project would recruit Fourteen (14) young women facilitators, two for each centre (one Tamil and one Sinhalese) who have undergone training in Early Childhood Development and possess computer skills, and train them in Community Development/Mobilisation.</p> <p>The project also aims to recruit two educationists for the two languages to develop activities/curricula required for activity based learning and an IT consultant to work along with the two educationists with a view to developing software to be used for activity based learning</p>
4. Approximate Project cost	Rs. 105.0 Million
5. Duration of the project	5 years

Project No: PrG/Gov/07

Teaching of 2NL to pre-school teachers	
1. Implementing Ministry	Chief Secretary's Secretariat
2. Implementing Agency	MDTD and CIRM in partnership with PCLG and PDE
3. Description of the project	<p>In order to ensure social integration within the province, short term as well as long term strategies is required to reduce communication barriers between ethnic groups. The foundation for a long term strategy can be laid down at pre-schools/early childhood development centres by creating opportunities for the kids to learn 2NL. For this, Pre-school teachers need to be equipped with language skills through specially designed training programmes.</p> <p>Further, the Pre-school teachers can be trained in community mobilization enabling them to interact with the mothers of children attending pre-schools encouraging them to organize and participate in social/religious gatherings wherever possible in order to promote social integration.</p>
4. Approximate Project cost	Rs. 10.0 Million
5. Duration of the project	5 years

Project No: PrG/Gov/08

Development of physical facilities for MDTD	
1. Implementing Ministry	Chief Secretary's Secretariat
2. Implementing Agency	Management Development and Training Department with Technical inputs from Provincial Department of Buildings
3. Description of the project	<p>The Management Development Training Department (MDTD) is the sole institution available for the Eastern Provincial Council to train its public servants on management related aspects, improving language skills and to engage in management development activities. In addition, there are two other units which are coming under the purview of MDTD but located 5 kms away from MDTD. The two units are the Centre for Information Resources Management (CIRM) and the Human Resource Development Library. Both are located in two different rented out premises in the Trincomalee Town.</p> <p>Although the MDTD is located in a 4.5 acre site 5 kms away from the Trincomalee Town, the building in which MDTD is currently housed is really a residential building not suitable for training activities. Given the number to be trained on different aspects of management, the responsibility for making the provincial public service tri-lingual, and the number of management development programmes MDTD has to carry out, the building space presently available is hardly sufficient.</p>

	Therefore the project envisages to construct: <ul style="list-style-type: none"> • Administration Block • Space for Library Block with Publication Sales Centre • Space for housing the CIRM • Language /computer Lab for Language Classes, and • Lecture hall
4. Approximate Project cost	Rs. 45.0 Million
5. Duration of the project	3 years

Project No: PG/Gov/09

A Computer based judicial management system	
1. Implementing Ministry	Ministry of Justice
2. Implementing Agency	Ministry of Justice in collaboration with ICTA
3. Description of the project	<p>A computer based network is to be designed which would link all magistrate courts in the Province with a view to establishing databases required for delivery of judgments</p> <p>Databases can be maintained at each magistrate court. A standard user interface is to be designed and installed in every magistrate court and a courts officer with IT skills to be entrusted with the responsibility to input and access the database. Data input and editing need to be under the supervision of the magistrate and/or registrar of the court. The data that would go to the database will be the National Identity Card number of the convicted, the Case Number, Judgment delivered, The Magistrate Court which delivered the judgment and the date of conviction.</p> <p>The Servers required for networking will be located at a magistrate court in the province where such facilities can be located. The officers with IT skills required to handle the work should be recruited as such resources are not available with the courts of law in the province. Adequate security measures will be taken</p> <p>All courts of law in the province will be provided with computers and accessories required to record case proceedings and judgments delivered in order to expedite the issue of copies of such documents required by lawyers as well as their clients. Adequate security measures will be taken to maintain the accuracy of information and prevent any manipulation of information. Staff available will be trained to handle the computer operations.</p>
4. Approximate Project cost	Rs. 30.0 Million
5. Duration of the project	2 years

6.0 ENVIRONMENT AND DISASTER MANAGEMENT

Project No: Env/En/01

Proposal to raise awareness of communities on SWM	
1. Implementing Ministry	Chief Secretary's Secretariat
2. Implementing Agency	Provincial Department of Local Government in partnership with Provincial Department of Education and Local Authorities
3. Description of the project	<p>Involve existing Community Based Organizations (CBO) and other Village Level Institutions such as Temples, Kovils and Mosques as partners in raising awareness of communities and enhancing capacities of CBOs (including organizations formed by business communities) with a view to transferring the ownership of the methodologies adopted, outputs and outcomes of the programme to the communities and to ensure sustainability of the SWM efforts in the long run.</p> <p>Educate the Public in general through participation of schools and school children in SWM through:</p> <ul style="list-style-type: none"> • Competitions among schools to write essays, design posters/banners and produce street dramas on SWM. The essays/posters/banners/street dramas will depict the benefits that will accrue to the communities in particular and the country in general by having effective SWM programmes and also avoiding hazards that might occur due to non-disposal of waste. • Encourage students in Advanced level classes to undertake projects related to SWM in such a way that implementation of such projects would educate the public on the need for effective SWM and the benefits that would accrue to them. • Identify students who can function as catalysts in making the communities aware on the need for effective SWM practices and train them in community mobilization based on their performance in competitions • Establish good SWM practices at school level with a view to mainstreaming SWM with School management and educating children on SWM.
4. Approximate Project cost	Rs. 100.0 Million
5. Duration of the project	5 years

Project No: Env/En/02

Enhance capacities of local authorities (LA) (including establishment and maintenance of dump sites and land fills)	
1. Implementing Ministry	Chief Secretary's Secretariat
2. Implementing Agency	Provincial Department of Local Government and Local Authorities
3. Description of the project	<p>PCLG identifies the LAs which require facilities such as dumpsites, landfills, composting plants, recycling plants, vehicles and equipment needed for collection of waste, collection bins, etc.</p> <p>Provide the facilities with the assistance of the Provincial Council, Ministry of Local Government and Provincial Councils and the Ministry of Environment.</p> <p>Local Authorities pass the by-laws required to collect user charges. Local Authorities design the system of collection of waste and disposal.</p>
4. Approximate Project cost	Rs. 800.0 Million
5. Duration of the project	5 years

Project No: Env/En/03

Formulating local level disaster management plans	
1. Implementing Ministry	Ministry of Disaster Management.
2. Implementing Agency	District Disaster Management Units and CBOs District Disaster Management Units (DDMU) and CBOs
3. Description of the project	<p>DDMUs establish a trained cadre of disaster risk educators/animators in appropriate disaster prone divisions. DDMUs then identify a group of CBOs functioning in such divisions which have the capacity and orientation to undertake disaster risk reduction activities. Animators create awareness among the communities at risk on the need for disaster management with the assistance of CBOs. CBOs will incorporate DRR related activities identified in the process into their development plans and ILDPs prepared at local level through establishment of relationships with the respective local authorities. CBOs will identify the role of local authorities in Disaster Management in consultation with elected representatives of Las.</p>
4. Approximate Project cost	Rs. 50.0 Million
5. Duration of the project	5 years

Project No: Env/En/04

Project for flood mitigation in Eravur Pattu south Division – Batticaloa	
1. Implementing Ministry	Ministry of Irrigation and Water Management
2. Implementing Agency	Provincial Department of Irrigation
3. Description of the project	<p>Mundeni river overflows during flood season and inundate low lying areas in Vantharumoolai, Mavadivempu, and Sittandy villages. Annually about 2000 people are displaced and live in refugee camps for, at least, a week or two. This happens almost every year during raining season and it affects shelter and livelihoods of the people at risk.</p> <p>The river bed is silted heavily. The width of the river is also insufficient to accommodate heavy influx of rain water. There are no flood bunds to control flood. Therefore, the project aims to widen and dredge Mundeni River from Sadawkai anicut to Kiran Causeway.</p>
4. Approximate Project cost	Rs. 38.0 Million
5. Duration of the project	1 year

Project No: Env/En/05

Rehabilitation of kiran cuaseway in Korale Pattu south – Batticaloa	
1. Implementing Ministry	Ministry of Irrigation and Water Management
2. Implementing Agency	Provincial Department of Irrigation
3. Description of the project	<p>The Kiran Causeway is the only access used by villagers in the west of Valacichanai lagoon “Paduwankarai” to enter the mainland of Batticaloa. There are about 5000 families of which 90% are farm families live in fifteen villages such as Pulipanchakal, Vellamachanai, Pondukalchainai, Koraveli, Natpattavillu, Muruthanai, Minuminuthaveli, Tharavai, Meiyankallu and four villages around Kudumpimalai who use this causeway.</p> <p>The causeway is now in dilapidated condition mainly due to the war and recurring.</p> <p>Now, the farmers cannot use the causeway during the north-east monsoon. As such they undergo lot of hardships in transporting their farm machinery, agricultural inputs, and farm produce during wet weather.</p> <p>Therefore, the project aims to rehabilitate Kiran Causeway starting from 1.6 Km away from the Trinco-Batticaloa main road to Kiran Junction.</p>
4. Approximate Project cost	Rs. 50.0 Million
5. Duration of the project	2 years

Project No. Env/En/06

Psychosocial/trauma counseling for people affected by the conflict	
1. Implementing Ministry	Chief Minister's Secretariat and the Provincial Ministry of Health
2. Implementing Agency	Provincial Department of Health in partnership with Provincial Department of Education and relevant I/NGOs
3. Description of the project	<p>Chief Secretary will appoint a Task Force (TF) comprising of relevant officials from the fields of development planning, health, education, social services, probation and child care, and NGO representatives. TF will co-opt officers from the fields providing livelihood support as and when necessary.</p> <p>The TF will develop a care package aimed to:</p> <p>(a) increase community awareness on psychosocial and mental health problems through</p> <p>(i) a community-based participatory approach;</p> <p>(ii) working with people and with psychosocial health problems as "agents" for change, instead of "victims";</p> <p>(b) Mobilize coping strategies and community resources; and (c) link with other social and economic support systems. The TF will then assess the resource requirements and resources available within the province such as counselors and other resources and establish a resource bank. TF will assess additional resource requirements and acquire such resources.</p> <p>Participating agencies will implement strategies and action plans and TF will oversee the implementation of the care package.</p>
4. Approximate Project cost	Rs. 1000 Million
5. Duration of the project	3 years

Project No: Env/En/07

Widening and dredging of Karaveddi aru and Mahilavedduwan aru In Manmunai west, Batticaloa	
1. Implementing Ministry	Ministry of Irrigation and Water Management
2. Implementing Agency	Provincial Department of Irrigation
3. Description of the project	<p>The two rivers Karaveddi Aru and Mahilavedduwan Aru are the only drainage on the right bank channel system and the left bank channel system of Unichchai Irrigation scheme respectively. The both rivers are heavily silted. The widths of the two rivers are also very narrow and as such the rivers cannot accommodate excessive flood water which results in damages to the banks of the rivers and flood bunds, and inundate about 4500 Acres of paddy lands and other crops during rainy seasons. Therefore, the paddy yields are also low.</p> <p>The project aims to widen and dredge the Karaveddi Aru (5 Kms) which starts from Right bank of the Unichchai tank and to Batticaloa lagoon at Karaveddi Village and Mahilavedduwan Aru (10 Km).</p>
4. Approximate Project cost	Rs. 45.0 Million (Karaveddi Aru- Rs. 15.0 Mn and Mahilavedduvan Aru – Rs 30.0 Mn
5. Duration of the project	2 years
